BITS AND PIECES

ASSHOLE OF THE YEAR

Hollywood is movie land, a make-believe kingdom of pretend reality, a mythical realm where the hopes and passions that unite all humanity are turned, as if by magic, into shit.

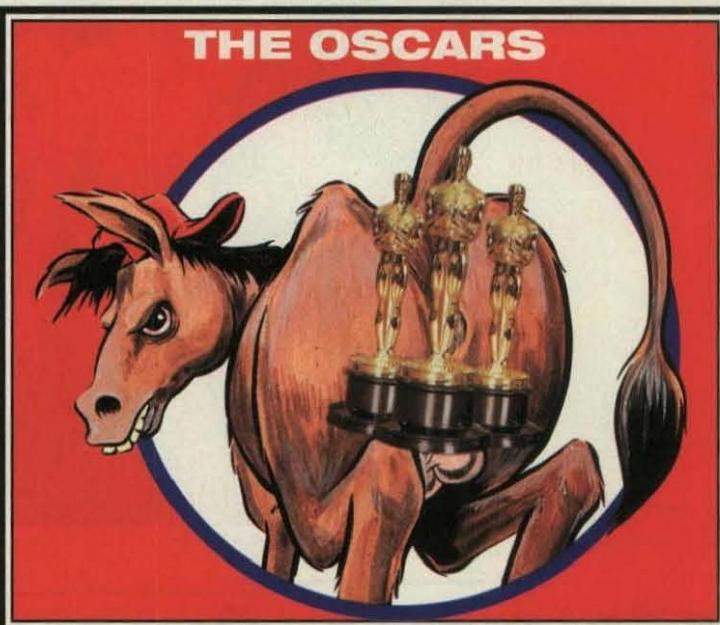

The Oscar reigns like a graven image over this slumberland of optioned dreams. A shiny, stunted eunuch, plated the color of money, Oscar rules and rewards the highest aspirations of the American film industry and is a fitting recipient for HUSTLER's Asshole of the Year.

The Academy of Motion Picture Arts and Sciences has 5,227 voting members. These elite 5,227 are the ruling demigods who determine which movies of any given year are nominated for the prized Oscar statuettes. Surely, some portion of that esteemed aggregate has its own brain, with which it makes its own decisions. But too many in the pantheon are sheep in deities' clothing.

In the 1950s, the House Un-American Activities Committee staged a witch-hunt for supposed Communists. This unjustified persecution set off one of Hollywood's ugliest, most shameful episodes.

Tinseltown shit weasels, from actors to studio chiefs, turned on one another in a frenzy of betrayal. Difficult talent was framed and thrown to Senator Joe McCarthy for public grilling.

Many daring creative artists were put on blacklists and denied work. These blacklists were drawn up by elite members of the Hollywood film industry. No accurate count exists of how many Academy members were instrumen-

tal in maintaining the blacklists.

The Academy has no more guts than it had during the Red scare. Gloria Steinem prints false allegations about HUSTLER, and *The People vs. Larry Flynt*, an epic, true tale of triumph and tragedy, a wrenching love story, a complex, honest look at troubling realities, is denied nominations, shafted in favor of a fairy tale about showing money.

On the eve of the 69th Annual Academy Awards, Columbia Pictures informed Larry Flynt that he would not be attending the ceremony, despite earlier promises that he would be their honored guest. The very company that had congratulated itself on its own courage in producing the historical film of Larry's life

now participated in a backlash as ugly as any blacklist.

Through the intervention of an anonymous Academy member, Flynt was granted a ticket. The fossils of the Motion Picture Arts and Sciences, the young ones and the old ones alike, responded with disgust. Why must Larry Flynt attend and embarrass everybody?

These Academy Award people show no capacity for embarrassment. These people, with their red-ribbon activism and their monumen-tally self-indulgent egos, present themselves as a moral compass for America and the world. These champions of vulgarity and crass consumption claim to be the arbiters for what is decent and inspiring.

The Hollywood factory cranks out crap. The process degrades every valuable human experience to the level of cheap entertainment and largely fails to entertain. The Hollywood movie is a rotting medium, a commercial fakery, further from being an art form every year.

Hollywood is in the business of lying. Spurred by false motives, the studios sell false stories with false moralities and false endings. Greed and test audiences have destroyed the art of storytelling, a sacred tradition by which we pass on our values, our identities, how we define our reality and invest our lives with purpose and meaning.

Having reduced a miraculous advance in communication—the motion picture—to a sentiment-drenched form of merchandising, Hollywood's cultural parasites masquerade as if they represent a force for truth and freedom.

An honest picture has slim chance of survival. Hollywood is a world of flat, two-dimensional charlatanism, a false front that cannot withstand scrutiny. Any movie that demands a harsh look at hard truths will be reflexively shunned by the Hollywood phonies.

Although driven by vanity, Oscar is loathe to look in the mirror, unless the reflective surface is lit for special effects.

Ever since *The People vs. Larry Flynt* premiered, Hollywood's shitheels have honored themselves for making a movie about a "scumbag." Let the prick who is without sleaze be the first to call scumbag.

Oscar is a silent Asshole.

Max Frankel: This low-watt egghead wrote a stupid rehashing of several flawed arguments against the motion picture *The People vs. Larry Flynt*. Frankel had his borrowed opinions printed without attribution in the *New York Times Magazine*. One of his few original contentions is that *Heil Hitler, America! Neo-Nazi Christians and Their Quest for an*

Farts in the Wind

Aryan Nation, a feature article from HUSTLER's March 1997 issue, is an example of "the vilest prose masquerading as reportage," "palpable fictions... slyly designed to stimulate fantasies...of skinhead brutalities." Frankel, wrench your nose out of Steinem's butt and read this vile prose: You're an Asshole.

Joanna Pacitti's Parents:

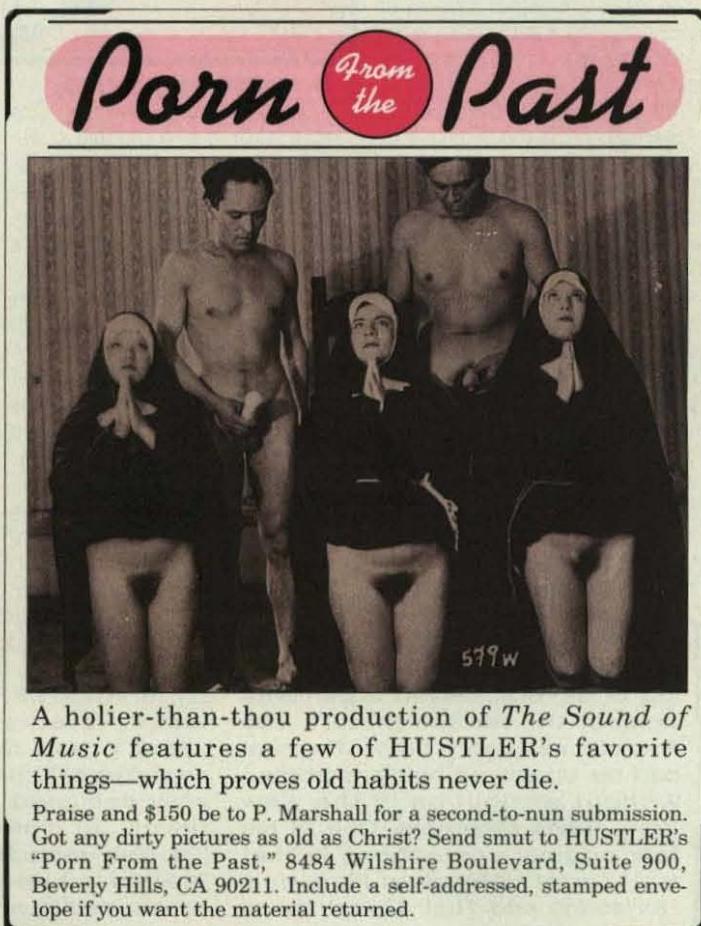

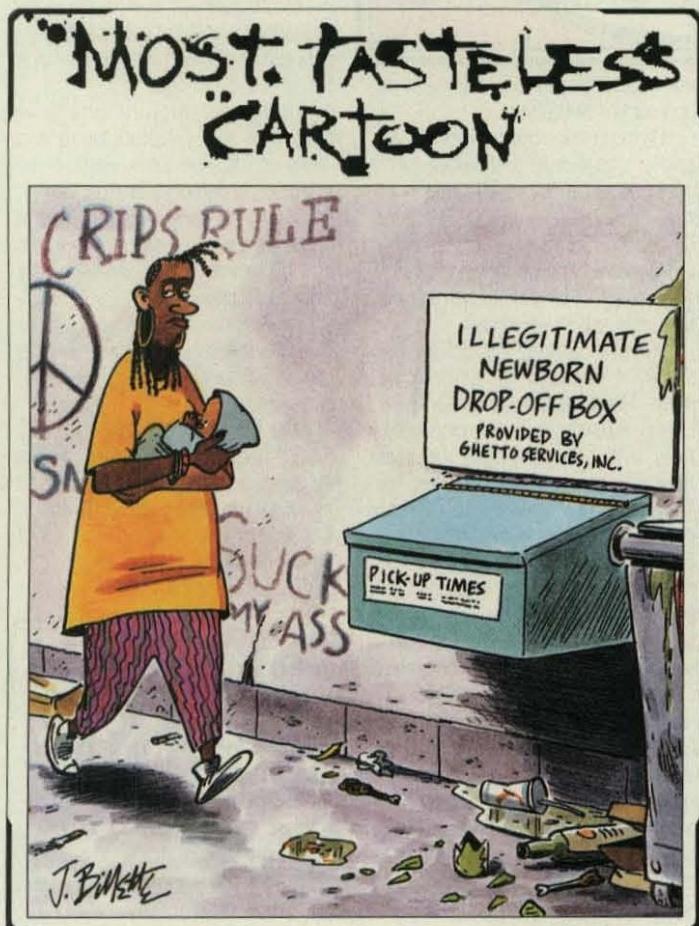

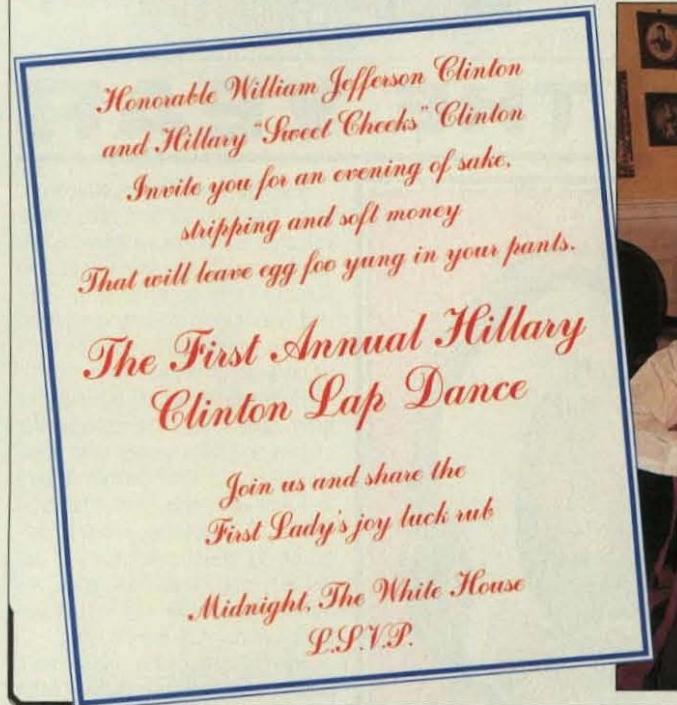

Joanna Pacitti is the poor child who was a rising star in the 20th-anniversary production of *Annie* until the show's producers fired her. Why does the 12-year-old show-biz brat choose to relive her weepy trauma on *Rosie O'Donnell's* talk show and risk being eaten by the hostess? Because Mom and Dad are Assholes.

It Takes a Spillage

When Bill Clinton gouged Asian businessmen for campaign contributions, he raised several million dollars and rotsa ruckus. A new

round of inter-Oval Office memos reveals \$27 million in donations from fat cats in exchange for a White House sleep over. If an invi-

tation sent to HUSTLER is any indication, the sticky-fingered President has found a new way to combine his very special interests.

Once again, Newt Gingrich has fucked over the American people. This time he skimmed into tax-exempt donations and lied his fat ass off to the House Ethics Committee. Although Congress voted to slap the Republican windbag with a \$300,000 fine, HUSTLER has a far stiffer sanction in mind: Get Candace Gingrich, an avowed lesbian, to ram her strap-on in brother Newt's poop chute and ride him around Congress like a soft-belly pony. The Original HUSTLER Remembers the
Rough-and-Tumble Bar Business Where His Empire Began

AUTOBIOGRAPHY BY LARRY FLYNT
ILLUSTRATION BY ALEX EBEL

In this excerpt from *An Unseemly Man: My Life as Pornographer, Pundit, and Social Outcast* (Los Angeles: Dove, 1996), Larry Flynt recounts the booze-soaked, bare-knuckled days before HUSTLER when guts and hillbilly doggedness put him on the road to fame and wealth.

HUSTLER

The Birth of a HUSTLER

In early 1965, 22-year-old Larry Flynt made an \$1,800 down payment on a Dayton, Ohio, dive called the Keewee. His first order of business was to transform the place into a "knock-down-drag-out country joint." Hank Williams, Roy Acuff and Johnny Cash blared from the juke, and hicks laid bets on horseshoes out back. Christened the Hillbilly Haven, Flynt's first bar drew rowdy crowds from miles around and earned him enough capital to open Larry's Hangover Tavern across town. A third watering hole, the Factory, was soon to follow. The beer flowed freely, and so did the blood. "I was aiming to serve a blue-collar clientele," Flynt writes. "When they got drunk, they liked to fight." The burgeoning entrepreneur found himself breaking up two or three slugfests a week—one involving his own mother—to protect his investments and save his liquor licenses. For Flynt, surviving Dayton's cutthroat bar business meant risking his own neck, literally. As he reveals in the following excerpt from *An Unseemly Man: My Life as Pornographer, Pundit, and Social Outcast*, Larry Flynt learned never to back down long before HUSTLER put him in the line of fire.

* * *

As the months went by, it seemed more and more likely that I would be killed by one of my customers. There were fights all the time. I had to cultivate a "don't fuck with me" reputation just to survive. One of those customers—a potential killer—was a tough guy named Roger Pack. Roger had been dating a woman named Mona off and on, and Mona was the owner of a bar in competition with the Hangover Tavern. Roger was a merciless, mean-spirited bar brawler. One night he and his two brothers, Earl and John, came into the Hangover Tavern. I was tending bar across town at Hillbilly Haven. The Hangover Tavern was packed—in stark contrast to Mona's. Roger and his brothers had decided to "promote" Mona's business by thinning out the crowd at my tavern. They came prepared. All three carried lead pipes, and as they walked in, they started to swing them indiscriminately, hitting people on the head and knocking them to the floor. It was mindless, brutal violence against women, old men—whoever happened to be within reach. After a few minutes of utter chaos, the hoodlums left. The bar was a bloody mess of injured, broken people, many lying in pools of blood. There were some nice folks who came in to the Hangover Tavern, good-hearted average Joes. They were beaten senseless. I was sick to my stomach when I heard about it.

I decided not to go out looking for

the Packs. I was mad as hell—so mad I knew I would kill them. If I took them down on their own turf, it would look premeditated, and I'd go to jail for murder. But as it happened, I didn't have to find them. They found me. A few nights later Roger, Earl and John sauntered into the Hangover Tavern and sat down at the bar. The unmitigated, stupid arrogance of those assholes! They had busted up my place on the previous Saturday, and they thought they could just walk in a week later as if nothing had happened. They ordered drinks in a tone that implied, "Get your ass in gear, Flynt." I thought I was going to explode, but I didn't say anything.

I knew there was going to be a fight, and I quickly collected my thoughts. There was a small plastic bucket at the waitresses' station at the end of the bar. We used it to put bottle caps in. I walked down and emptied a handful of caps into the bucket, trying to appear nonchalant. Then I picked up the bucket, leaned behind the bar, and discreetly slipped my .38 snub-nose inside. They didn't notice. They were too busy congratulating themselves on what badasses they were. With my hand on the pistol and the pistol in the bucket, I casually walked up to Earl, the one closest to me, and called his name. When he turned, I hit him square in the face with the gun. I hit him so hard the trigger guard bent and crushed my finger, pinching a chunk of flesh out of it. I didn't notice the pain. Earl sat stunned and glassy-eyed, blood trickling down his nose. I hit him a second time. John and Roger jumped up and started for me. I pointed the pistol at them and shouted, "Sit down, you motherfuckers, or I'll blow your heads off!" They slowly sank to their seats. I hit Earl a third time. And a fourth. He was still sitting upright on the stool, blank-faced, his reptilian brain unable to respond. He was a mute, motionless, easy target. He was also a worthless piece of shit and deserved every blow. I hit him one more time and gave him a little shove with the end of the barrel. He fell backward to the floor. "Get the fuck out of here and take him with you!" I shouted to his brothers. "If I ever see you in here again, I'll kill you." After they left, I noticed my bleeding finger was still stuck in the guard. I couldn't have pulled the trigger if I had wanted to.

My run-in with the Pack brothers was a watershed for me. You had to treat hoodlums with a firm hand if you wanted to stay in the bar business. But the violence was wearing me down. I'd had too many close calls. I decided to upgrade my business and appeal to a higher class of people. My first

experiment in an upscale establishment was my fourth place, a bar I bought on north Main Street and named Whatever's Right.

Whatever's Right was the first club I owned that featured hostesses who danced. I screened dozens of women and hired twelve of the best looking. I wanted them to be the centerpiece of a posh cocktail lounge, an elegant little place with a good sound system and popular music. There were a lot of guys who liked to go to a club and grind a girl on the dance floor. I wanted a mix of good dance tunes from fast rock 'n' roll to slow, sexy stuff. The whole idea was to appeal to lonely men, middle-aged and up, in a controlled environment.

I set strict policies for the hostesses. The first rule was, "Never ask a man to buy you a drink, but never turn one down." I instructed the barmaids to pour the hostesses' drinks short so they didn't have to worry about getting drunk. The second rule was, "Ask the guy to dance." The scenario I envisioned was this: A guy walks in, sits down, orders a drink, and gets it; the hostess returns a little later and asks, "Excuse me, sir, but could I have this dance?" I thought it would blow guys away. It did.

The club became a huge success. It was such a success, in fact, that several copycat bars were soon in competition with me. I wanted to stay a step ahead of them. It was early 1968. For some time I had been tracking the success of a new phenomenon called "go-go" clubs. They had started in California, and spread to Phoenix, Tucson, and then Houston. But there were no go-go clubs in the East. I thought that one might be a smashing success in Dayton, but I had never actually seen a go-go club in operation. So I decided to go to Phoenix and check one out. I went to a place called the Hi-Liter Club. To say the least, I was impressed. The club featured a bevy of good-looking dancers dressed in minuscule bikinis, gyrating to the latest music. I loved it so much that I offered one of the girls \$100 if she'd take off her bikini on the spot and give it to me. She did. I returned to Dayton with the little gold lamé souvenir, determined to start my own go-go club.

* * *

My instincts told me that the club should be located in downtown Dayton. Conventional wisdom at the time considered downtown a bad choice. Inner cities in the East were being deserted, and their central cores were disintegrating. Nevertheless, it seemed right to me. I went with my intuition. After some looking around, I found an old greasy spoon for sale. It was a godawful place:

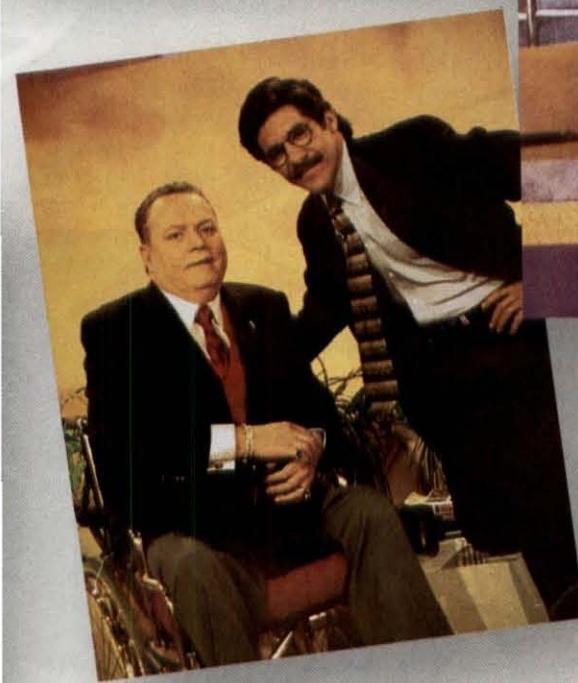

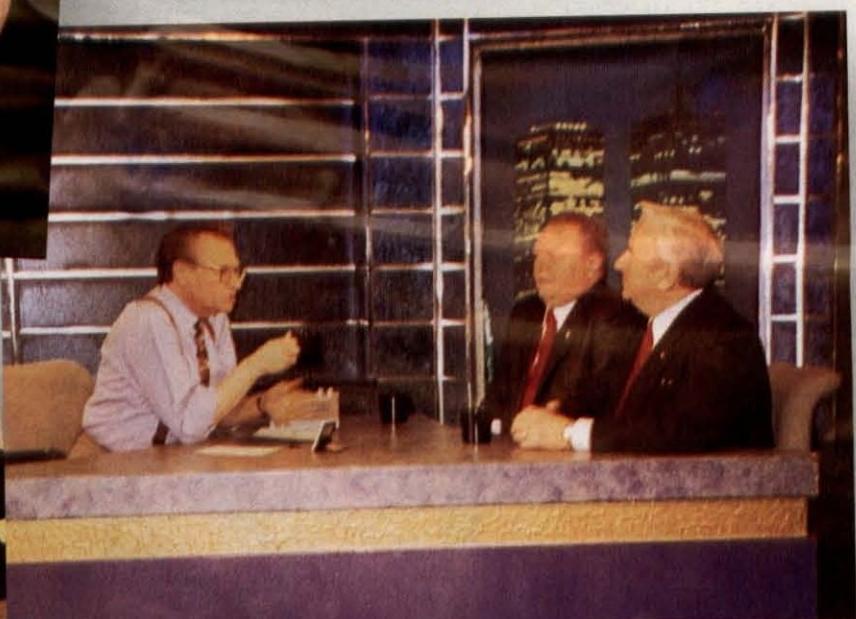

an eighty-year-old dive with a liquor license. I paid \$15,000 for it, the license and all. It needed work but it had potential. Inside was an old hand-carved wooden bar right out of the Roaring Twenties with fluted columns on the sides, a big ornate top, and a huge mirror cracked in four places, as if it had been shot. The bar would make a good centerpiece, I decided, but the rest of the place was beyond hope. The plaster on the ceiling was cracked and sagging. The old wood lath was showing in a few places. I didn't want to spend the money to install a drop ceiling, and so I decided to paint it flat black; after I did, the ceiling just disappeared. I patched some holes, painted the walls, and bought some cheap paintings—nudes on black velvet. Then I put down red carpeting, built a little stage, and brought in cocktail tables. I ended up spending only about \$5,000.

I kept the place open during remodeling so the existing customers—mostly winos and drunks—could come in and spend money. One day I was sitting at the bar next to an old hooker, thinking out loud. I couldn't decide what to name my newest club. She looked at me and said, "Hey, honey, why don't you name it after my old money-maker?" and slapped herself on the ass. "Good idea," I thought to myself. "I'll call it The Hooker." I sat there for a minute, satisfied with myself, and then thought, "Wait a minute. I'm gonna call it the Hustler Club." The name stuck. With the theme established, a couple of days later I hung the framed pictures of several famous mobsters over the bar. I called them the Hustler Club Board of Directors. A friend of mine, a cop on Dayton's vice squad, was sitting at the bar after hours one night. I said to him, "The bar looks authentic, but the pictures lack something." Not saying a word, he took out his pistol and shot a hole through one of the portraits. "Is that better?" We looked at each other for an instant; then I took out my pistol, too. We emptied them into the other pictures. Glass flew everywhere. When we were done, it looked right. Customers would always ask, "How'd those bullet holes get there?" I wouldn't answer. I'd just look at them and smile. I had reason to smile. I cleared a \$5,000 profit the first week the Hustler Club was open.

Older and Wiser

I am a 58-year-old grandmother who has never been interested in pornography. But I saw the March '97 cover of HUSTLER in a promotion for your autobiographical film (*The People vs. Larry Flynt*, Columbia Pictures) and thought that the cover was so powerful and beautiful that I bought the issue. I would eventually like to have it framed and placed on my bedroom wall. I am sure that you will be hearing from many other women. The cover is a work of art and education.

Thanks, ma'am. Although HUSTLER's a "men's magazine," we do try our best to give the ladies a Woody.

I want to personally thank you for featuring me and my musical cause in your April issue (*Days on the Lost Highway: The Honky-Tonk Crusade of Dale Watson and His Lone Stars*, April '97). I've loved your mag since my older brothers were old enough to buy it. I'm 34 now, and I only hope I improve with age as much as HUSTLER has. By the way, Associate Editor Scott "Smitty" Smith was a shining example of a road dog. He made quite a few fans from beer joints, truckstops and mosh pits. Tell him we'll keep a Shiner and a Lone Star beer on ice for him. Thanks again, from one underdog to another. I'm proud to have a literary compadre.

I'm writing to thank HUSTLER for publishing my wife's picture in *Beaver Hunt* (Jodi, February '97). She thinks she could have taken a better picture, but it seems only fitting that her picture came out at the same time as Mr. Flynt's movie, since she had some of the same reactions that HUSTLER did when it first started: All the men that have seen it think it's great, but her boss has been very hard on her. She threatened to fire her, then came to her

senses. Maybe her attorney helped her see the light. Some people in our little town have called the restaurant where she works and said they wouldn't be back until my wife quit, but none would leave their names. Surprise! Just today my wife had four gentlemen stop in from Grand Rapids, Michigan, just to see her and say how much they liked her picture. At first she

was upset by the negative reactions, but now that she's had enough people support her, she is very proud and would like to know how to send in a model's portfolio to be considered for a spread in HUSTLER and further her dreams. So, if there's any other ladies out there having a rough go of it after their pictures are published, smile! The real people who count thank you for your choices!

I Am Curious Yellow

Your February '97 issue had a wet and lumpy theme. Some cartoons, a few ad parodies ("Calvin Decline," *Bits & Pieces*) and an article ("Kooky Kink Goddess: Her Shit Don't Stink," *Erotic Entertainment*) all had to do with piss and shit. Last year, one of the other men's magazines stirred up a controversy with an illustration of a beautiful woman urinating. The laws on depicting this super-erotic dirty deed must be pretty stringent.

FEEDBACK

(continued from page 20)

It's next to impossible to find. Could you do a layout of a gorgeous centerfold soaking her white panties, bikini or blue jeans with that warm, steamy, enormously sexy golden flow? Do any beautiful women out there get off on this, or am I just a bit twisted?

—D. B.
Cincinnati, Ohio

Of course you're twisted, D. B., but lucky for you, our beautiful women are bent the same way. Our October '97 issue will feature a young lady bursting to answer the call of nature. Try to hold your water until then.

Alexandrea the Great

Well, you ruined my day. I opened my February HUSTLER, and there on the Contents page was the most stunning face I'd seen for years. I could not wait to see her other photos, and there she was, the centerfold. Ooze seeped from my pecker as my eyes swarmed over the lovely Alexandrea (*Alexandrea: Watcher in the Woods*, February '97). Great breasts and a to-die-for pussy, all held together by the most wonderful body. She's the best I've ever seen.

—S. J.
New South Wales, Australia

Clits the Spot

I've never subscribed to your beautiful magazine, but I measure the passing of time by when the next issue hits the newsstand. In *Paul and Tammy: Room Serviced* (April '97), you showed me what I like most about HUSTLER. You show Paul, the lucky devil, licking Tammy's clit, with the clit so erect, it is beautiful. I imagine it's me she is thinking of. Although it's not as big as Vanessa Del Rio's or a thumb, it does look tasty.

—D. R.
Sag Harbor, New York

Many readers have written to applaud Tammy's little pink friend. And antiporn feminists say men don't value a woman's clitoral pleasure.

Ass Backward

Question: Why is it everyone assumes that a gay or bisexual man wants to fuck someone up the ass? I am bi, and I would never want that. I don't even wish to do that to a woman.

—I. C.
Ft. Springs, West Virginia

Answer: That proves you're a fag.

Morale Booster

I am a soldier in Bosnia and, if it wasn't for your magazine, life here would be unbearable. We have no good-looking women here; so each one of us chooses our favorite HUSTLER babe as our fantasy girl. My platoon would like to thank our friends at HUSTLER, the world's best gentlemen's magazine, for making the stay here much easier.

—M. C.
Bosnia

The HUSTLER Honey send their love, but don't ever call us gentlemen again.

Concerned Citizen

The FBI and other federal agencies have pornography that they use for stings and entrapment. Would it be possible to get copies of this material through the Freedom of Information Act?

—B. B.
Russell Springs, Kentucky

You'd have to ask a lawyer, B. B. But proceed with caution. You may not want to see what's in famed drag queen and boy-lover J. Edgar Hoover's collection.

Long Green for Big Pink

I want to own every single HUSTLER Magazine ever published, and I'm willing to pay \$10,000 to do so. Can you help

me? If that's not enough, I will increase the amount. Please. Please.

—S. A.
Coweta, Oklahoma

It's a start, S. A. Collectors wishing to put in bids, call 1-815-734-1142 or write to P.O. Box 474, Mt. Morris, IL 61054.

White Noise

This yuppie, gay-sport, media-Jew, Jap, nigger-made golf creation making millions, Tiger Woods, tells fans he hates people bugging him for autographs. Other than that, it's kiss-my-fat-black-ass Oprah Winfrey, sick Jew sitcoms and Texaco shelling out 174 million to the niggers. Fucking niggers getting away with murder. Whitey, kiss the big, black nigger asshole. Thank you, HUSTLER for letting me say "nigger."

—T. J.
Duluth, Minnesota

Thank you, T. J., for letting us say "dipshit."

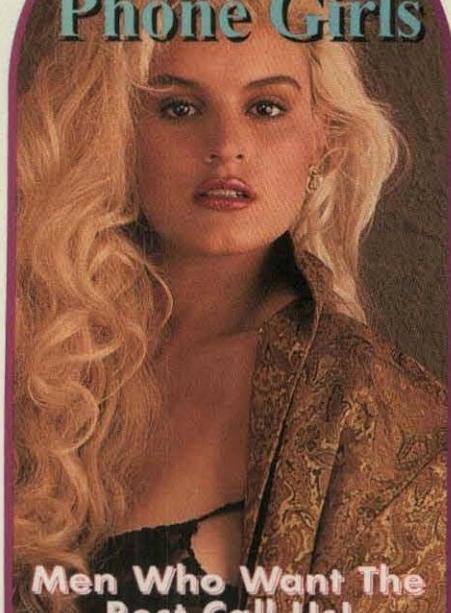

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a phone number if you want your letter considered for publication.

Passion

THREE-QUARTERS ERECT

Directed by Thomas Paine; starring Tiffany Mynx, Emily Hill, Nadia Moore, Caressa Savage, Sahara Sands, Anna Malle, Devon Shore, Little Cinderella, Alex Sanders, Peter North, Hank Armstrong, Rod Fontana, Steve Hatcher and Bobby Vitale. Videocassette: Sin City.

How large is Alex Sanders's hand? Approximately the size of Emily Hill's cunt, judging by the opening of *Passion*, in which Sanders shoves almost his entire fist deep into Hill's valley of shaved pink. With drool-soaked chin, Hill babbles on Sanders's shaft, then turns doughy ass cheeks over easy for a plowing of her poop hole, ending with a shot of yolk to her mildly bored smile. Top bitch Anna Malle, with big, white teeth gleaming like fangs from her perpetual snarl, works over two dudes—masticating, grinding and humping them until sweat covers her tanned, muscle-contoured back in a satiny film, and sperm spackles her mouth in clinging lumps. Three wad slingers mount a pair of cunts at a party. Little Cinderella arches her spine, making her look delicate as a glass figurine. One Neanderthal pulls fistfuls of Cinderella's blond hair, fucking her sweet, cringing face; another grunt man drives into Cinderella's snizz, pawing and slapping her creamy little titties like a bear mauling candy. Tiffany Mynx dribbles champagne into Caressa Savage's slit and sucks it out with a straw, before both tonguing trollops move on to more conventional depravities with a huge dildo. Peter North plumbs Sahara Sands and sprays a merry white beard of spunk onto her hairless pubic mound. *Passion* is a minor triumph of filth.

THE PERFECT WOMAN

Bound and Gagged in New Series by Fetish Photographer Eric Kroll

The perfect woman is a 19-year-old with creamy tits flopping out of her cardigan sweater. When asked, she cinches into a 1950s corset and fingers her hairy twat for the camera.

The perfect woman wears a dunce cap. She kneels, when ordered by a pot-bellied pervert, and waddles across the floor with her panties binding her knees.

Cleo shows off her kitty training in Volume 5.

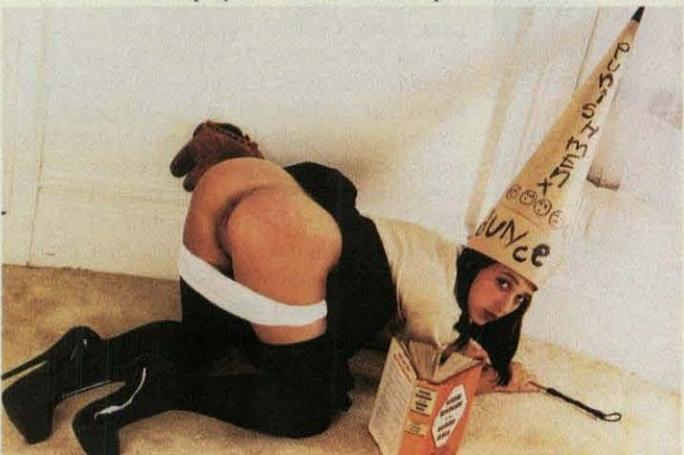

The perfect woman comes with a twin sister. One twin is dyed blond; the other is a redhead. They dress in white gloves, merry widows and heels. They nuzzle on a cot. The redhead paints a lipstick mouth on the crotch of her sister's white-cotton panties. Why one twin seems to be several inches taller than her sister is never explained.

These are some of the views presented by fetish photographer Eric Kroll in his new video series *The Perfect Woman*. Each tape documents Kroll at work on a kink photo shoot. The models pose. Kroll walks in and out of frame, snapping stills. The video cam seldom moves. There is no triple-XXX action, except for a femme-to-femme fellatio scene suggested in Volume 6 and a few harried masturbation moments sprinkled throughout.

Hard-core jackoffs will be disappointed by the lack of fistable material, but the *Perfect Woman* series will interest extreme fetish fans eager to get a behind-the-scenes' view of one of today's top pervo lensmen at work. Each tape is \$49. Inquiries may be faxed to Eric Kroll at 415-931-3203.

Fans of Eric Kroll's still photography should check out the debut issue of *HUSTLER's LEG WORLD*, available on May 27 at finer adult-book stores and newsstands everywhere.

Renee displays crack and dunce cap in Volume 1.

Canned Heat

THREE-QUARTERS ERECT

Directed by Michael Carpenter; starring Cort Knee, Tatiana, Kimberly Jade, Dallas, Spice, Fallon, Anna-Lisa, Peter North, John West, Vince Vouyer and Dave Hardman. Videocassette: TCKS Entertainment.

This year 7,000 porn videos will be made, and most of them will suck, and some of the worst suckers will be made with ten times more money than was spent on *Canned Heat*. Yet, *Canned Heat* doesn't suck much. Why? Helmsman Mike Carpenter aims the camera at what most viewers want to see: asses, cunts and the cunts' faces reacting as they are fucked. The fact that a wiggling tit's never far out of frame doesn't hurt either. The first cunt fucked belongs to Kimberly Jade, who gives Vince Vouyer a complete tour of her turd hole prior to the scene's splashy ending; a cunt-sucking brunette spreads sphincters for a putz, then jacks choad into the slack mouth of her blond slut companion. With her yellow hair in cornrows, those wobbles hard, high and wide apart and a big, fat clitoris poking out beneath her taut tummy, Cort Knee is a freak of beauty. The sight of her pillow lips mumbling over Tatiana's brillo bush is only surpassed by the shot of Knee's velvety shit valve swallowing one fat dick as another crams against her tonsils. Other XXX directors would do well to study the ingredients in *Canned Heat*. —M.A.

The Show

HALF ERECT

Directed by Paul Thomas; starring Christy Canyon, Jenteal, Krista Maze, Tracy Love, Toni, Kitty Monroe, Toni Tedeschi, Vince Vouyer, Michael Knight, Scotty Schwartz and Steven St. Croix. Videocassette: Vivid.

Christy Canyon's tits. Big, bobbling buoys whose careers have borne witness to more than a jizzillion load launches and weathered a veritable tsunami of semen. Check out these fucking floats in the closing scene of *The Show*: Rumbled by a prodding choad, Canyon's gargantuan bazooms bumble

across her chest as if a pair of berserk ferrets were tunneling in subdermal circles atop her rib cage. The fact that Christy's legendary fun bags sag a tad is easily glossed when the flat-backing Canyon looses a rippling wave of fleshy mam that positively demands the fist-fucking viewer's foamy white-cap. Other than one or two revelatory moments of old-school, unenhanced bongo boom, this smut-styled parody of *The Larry Sanders Show* typifies Vivid product: Crackling-hot honeys harnessed by an overwritten plot, soft-lit sex and a general tenor of neutered nastiness. A vomitous Scotty Schwartz stand-up set is the only unforeseen insult to wanked crank. Repeat: Christy Canyon's tits. Unapologetic fans of unreconstructed cans should give *The Show* a shot. —Richard Crenshaw

Barby's on Butt Row

THREE-QUARTERS ERECT

Directed by Joey Silvera; starring Suzie, Kim E., Vanessa, Monique, Marina, Chloe, Alyssa, Aleksandra, Tricia, Barby, Malitia, Jake Steed, Mr. Marcus, Nick East, Tom Byron, Michael J. Cox and Mark Davis. Videocassette: Evil Angel.

The *Butt Row* duckies are all lined up: Crazy Chloe likes a prong in her shitter and some digits up her clam. Vanessa, her hot, Latin blood acting up, wraps her lips around Mr. Marcus's swinging onyx hammer, then pounds the tool into her virgin crap chute. Bright-blonde Malitia is pretty as a supermodel, and though she's not up for a dorsal plugging, she's happy to let Jake Steed charge up her snatch and dribble dick lather all over her classy mug. Two soft-mammmed, big-assed bottle blondes giggle and kiss each other's pussies, then let wad chub up into their floppy-lipped cho-chos and bubble over on their pendulous wobbles. The littlest of the flock, tartan-skirted, ivory-skinned Marina is giddy as a schoolgirl when Mark Davis bends her over a pool table and bumps into her springy haunches. In *Barby's on Butt Row*, director Joey Silvera has bagged himself a fine set of birds.

—R.C.

PRIVATE STORIES #15: Love cringes as Hatcher and Boan cram cunt and crapper.

THE SHOW: Love kneels for a spunk pop.

Private Stories #15

THREE-QUARTERS ERECT

Directed by Freddie Morse, Scott Lucky and Francois Clousot; starring Fever, Nicolette, Attila Dori, Katalin Szolarov, Pogany Tunde, Akim, Kriztina, Tracy Love, Rodolph, Antrim, Zoltan Hess, Red Boan, Steve Hatcher and Jean-Yves Le Castel. Videocassette: Private Video.

Private Stories' foreign-tongued skanks spare viewers from the tedium of stilted porn dialogue, but body language speaks volumes. Trimmed pelts switch and wriggle, loudly appealing for penetration. Clenching butt cheeks demand that their sphincters, glistening with lubricant, be plowed. Wenches' painted, sullen faces speak of hardscrabble existences in the former Eastern-bloc countries whence they come, but lines of feminine desperation, rouged and mascara-tinted, also give a streety sex appeal. All the Euro bitches hump hard, but none is more appealing than Kriztina, a haughty brunette with upturned titties whom two sleazy Frenchmen cut down to size in a forest. American pricks Steve Hatcher and Red Boan pop into the bottom holes of a pasty, blond piece of Continental quim, and *Private Stories #15* ends, offering stiff pricks a gripping experience.

—M. A.

Country Girl

HALF ERECT

Directed by Horney Henry; starring Rebecca Wild, Krista Maze, Julie Rage, Tyler, Nikki Brantz, Heather Lee, Jonathan Morgan, Tony Tedeschi, Peter North, Kyle Stone, Dick Nasty and Seth Gecko. Videocassette: VCA.

Hammy Jonathan Morgan has got female trouble. His hillbilly sister-in-law (Rebecca Wild) has just moved in from bumfuck holler and she's got even bigger fake tits and a bigger ass than his wife (Julie Rage). He needs to stick his penis inside that darn hick cunt before he goes nuts. While Morgan weighs the risks and rewards of cheating with his in-law, his buddies fuck some pussy. Old Dick Nasty slides his worm into Heather Lee's been-there, done-that vagina and tries not to pop her hyper-inflated set of scar-ringed cancer bags. A mincing mook lucks into cornholing Nikki Brantz, a silky-haired, tiny-top brunette who licks him into shape, then crams him into her ass. After banging his old lady one last time and shooting sloopie down her throat, Morgan throws caution to the wind and tosses his limp dick into the bucktoothed craw of Wild, who hee-haws through an apparently fake money-shot. *Country Girl* is far from the pick of the litter.

—R. C.

COUNTRY GIRL: Wild flashes velvety wedge while gobbling gonads.

X-RATED CRITICS ORGANIZATION AWARDS

Judgment Night for the Sinners of Adult Entertainment

On Friday night, February 7, approximately 300 of the smut industry's most talented sluts, hard-on wranglers and lensmen converged on the ballroom at West Hollywood's tony Wyndham Bel Age Hotel for this year's X-Rated Critics Organization Awards Show.

"What we are about to hear is the truth," shouted the beef-face emcee, carnival showman turned raunch purveyor Jim Holiday, at the start of the awards, "so everybody please shut up."

Honors went to the videos, performers and directors garnering the most votes

Misty Rain lavishes licks on Felecia.

in secret ballots cast by 20 of the nation's leading critics of raunch entertainment. The unruly crowd of sexual anarchists, fueled by frequent visits to the cash bar, jeered and yammered loudly throughout.

"My cunt was so sore yesterday, I told the director I could only do anal," a redhead piece of ass yapped to her semi-naked girlfriend at a front-row

Award-winning sluts Stacy Valentine and Sindee Coxx.

table during a solemn speech about the dangers of AIDS.

The soiree was also an occasion for affectionate reunions between fuck-star friends. The 56-year-old bald wonder Dirty Dave Cummings, dapper in a powder-blue Members Only jacket, leapt from his chair during the Best Video presentation to chivalrously bestow a kiss upon the hand of a long-legged Russian tart whom he'd last seen while fucking her up the ass. "That gal is something special," Dirty Dave observed, as she sashayed away through the crowd. "After I came, she hooked her legs behind her head and squirted my cum from her butt-hole to her mouth."

Director Gregory Dark scooped the award for Director of the Year, and his *Sex Freaks* won for Best Film. Best Video went to *Buttman in the Crack*, and Missy was honored as Female Performer of the Year.

At show's end, as the ballroom emptied, brunet dynamo Taylor Hayes hijacked the microphone for an impromptu speech. "I'm sick of not getting any award nominations!" Hayes shrieked from the podium. "I want everyone to know I'm not just a slut, I'm a cheap whore! I'm a filthy cunt, and I deserve something for it!"

Distracted from Hayes's speech, Christi Lake collared a passing mook and gave him head in the middle of the floor, bringing one of porn's classiest events of the year to an appropriate finish.

Time Machine

HALF ERECT

Directed by Jace Rocker; starring Serenity, Tatiana, Ruby, Sindee Coxx, Tracy Love, Davia Ardell, Peter North, Colt Steele, Steve Hatcher, Alex Sanders, Mitchell Gant, Big T, Jace Rocker, John O'Connell, Steve Justice and Jonathan Morgan. Videocassette: Wicked.

Sick and tired of plotless porn verité? Longing for old-time showmanship and dramatic movie magic mixed in with ass bangs and sperm facials? *Time Machine* is a perfect antidote. *Machine*'s high-concept garbage, its costumed buffoonery, the Ed Wood special effects and an unforgivable amount of dialogue delivered by antic-porn douchebag Jonathan Morgan, all this makes the stripped-down, bare-bone fuck loops of *Buttman* and *Hardcore* look like blue-screen Hemingway. The relentless claptrap spoils the potentially pneumatic appearance of Tatiana, a soft, tawny, round-assed beauty with floating, nature-filled jiggle sacks whose delectable flesh the addled director saw fit to keep clothed in a dime-store squaw outfit for 75% of her ass-open fuck scene. Instead of properly focusing on the story's true merits—Serenity's ass, Ruby's sacks and Tatiana's clam—*Time Machine* slowly grinds its gears, pumping out schlock instead of plumping cock. —R.C.

Ed Powers' Dirty Diner 3

THREE-QUARTERS ERECT

Directed by Luc Wilder; starring Alex Dane, Lexi Eriksson, Tyler, Silk, Davia Ardell, Jamie Gillis, Alex Sanders, Jake Steed, Matt Jade, Michael Hurt and Tommy Gunn. Videocassette: Sin City.

Curiously, *Dirty Diner 3* seems to share the same teenybopper soundtrack with *Ed Powers' Lollipop Shoppe*. The porn industry's well-deserved shoddy reputation is based on manufacturers' proclivity for cutting corners; such cheapness is not always a bad thing. Cheap is good when it means splitting Alex Dane three

ways in *Diner*'s first scene, dividing her toothy, cutie-pie smile between a trio of cum chuckers who bang her bent over the seat of a Harley. Blond wisp Lexi Eriksson pops into a low-rent-diner set with chewed bubblegum pressed into her trimmed snatch stubble. A bearded older dude shaves the mess clean and splats a new mess onto Eriksson's writhing backside; typecast as cheap sluts, platinum dairy queen Davia and Dane buddy up on Alex Sanders's boner; Davia and Eriksson lick splits; and Tyler and Silk extract ball filling from two humping horndogs, one of whom pops straight into Silk's flinching eye. *Dirty Diner 3* is good for cheap beats. —M.A.

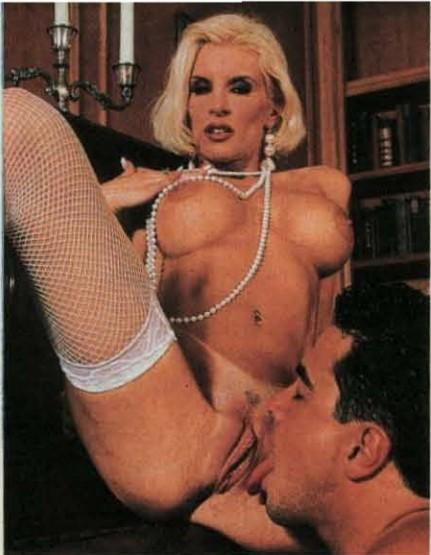

Decadence

HALF ERECT

Directed by Michael Ninn; starring Ashlyn Gere, Victoria Paris, Jeanna Fine, Anna Malle, Laura Palmer, Victoria, Ruby, Julie Rage, P.J. Sparxx, Kim Kataine, Annah Marie, Anna Malle, Mark Davis, Mike Horner, Peter North, Hank Armstrong, Santino Lee, Tom Byron, John Decker, Vince Vouyer and Jeremy Steele. Videocassette: VCA.

Decadence. The dictionary defines it as "the process of becoming decadent...exhibiting the qualities of those who are degenerating to a lower type." It's too bad Michael Ninn seems uncomfortable with the life blood of porn: attractive lower-type degenerates, such as Victoria Paris and Ashlyn Gere, who open the show feasting on beaver meat. The stop-motion video technique used throughout ensures that the couple's moans of simulated ecstasy are never quite in sync with their actions. The soft-focus style suggests to the viewer—already annoyed by the faux Kenny G. soundtrack—that Ninn would rather be filming a big-budget, fag-filled jeans commercial. The slick stylization is a soporific, even when applied to that degenerate Jeanna Fine as she sucks spunk from a stiff one with mouth and turd rings. Anna Malle's interracial staircase DP is nothing to shake a limp dick at, but *Decadence* doesn't go low enough.

THE HOUSE ON
PARADISE BEACH: Rage spreads
gore for Vitale.

DIRTY DINER 3: Ardell and Dane launch squack attack on Sanders.

The House on Paradise Beach

ONE-QUARTER ERECT

Directed by Roy Alexandre; starring Helen Duval, Lisa Ann, Missy, Blake Mitchell, Julie Rage, Sharon Kane, Kimberly Kummings, Dianne Richards, Jhasmin Obera, Mike Horner, Mickey G., Mark Davis, Dave Hardman and Bobby Vitale.
Videocassette: VCA.

The House on Paradise Beach opens with an old bag reminiscing about the good old days when sluts dressed like flappers and sucked scum from woodsmen in bow ties. The costume drama begins with silky, golden-haired hellion Missy bending into bitch-boff position and taking a bone from Mike Horner. What happened to the cum-shot? Horner is apparently conserving his spunk for the outdoor bonk with Lisa Ann on the running board of a vintage car. Kimberly Kummings, dark-eyed and deviant-looking, opens her pooper for a DP, a feat repeated by Helen Duval, a husky-voiced, titanic-titted Teutonic trollop, who grunts like an ass-raped teamster when penetrated. Jhasmin and Sharon Kane smoke some weird-ass weed; one moment Jhasmin is looking fuckably cute, and suddenly "she" whips out a fat African-American prong and schtups Kane. Be careful at the *House on Paradise Beach*. The dudes don't always come, and the chicks sometimes have dicks.

Cumback Pussy 4**THREE-QUARTERS ERECT**

Directed by Tom Byron; starring Charlie, Felecia, Dorothy, Maya, Mila, Kimberly Jade, Tiffany Mynx, Nici Sterling, Chandler, Li'l Bit, Naomi, Lexi Eriksson, Roxanne Hall, Leah Dawn, Mikki Mallone, Peter North, Mark Davis and Tom Byron.
Videocassette: Elegant Angel.

Warning: The average heterosexual porn consumer's pasty-fingered enjoyment of blue-screen spoon is under mortifying assault from a dingy, wrinkled adversary. The latest below-the-belt attack on a straight man's creamy fantasies comes not from porous old feminist sponge Gloria Steinem. Nor from disgraced, would-be thought cop Newt Gingrich. No, this tightly wound, mud-flinging assailant is all the more insidious because he comes from within. The new enemy is our own male asshole: The rusty shit lid keeps cropping up to wilt rods and stifle stiffies in recent scenes of girl-on-guy analingus and, in Tom Byron's *Cumback Pussy 4*, as the mincing target of prodding butt plugs. Every jerk smart enough to yank his crank knows it's not homo to watch another guy's cock plow gash. After all, he watches his own cock in his hand several times a day. Another guy's ass is a different can of worms. A cunt-hungry loner wants no part of a visual

relationship with his own rump raisin, let alone the oily sphincters of Tom Byron. When the lauded actor/director interrupts the spew-dripping, girly ass-flipping, cooze-coated clam barrage of the generally searing fourth installment of his award-winning series to spread his legs and show off his bung, HUSTLER cries foul and pleads, *Come back, pussy.*

—R. C.

Scotty's X-Rated Adventure**ONE-QUARTER ERECT**

Directed by Nick York; starring Juli Ashton, Serenity, Rebecca Lord, Ruby, Montana Gunn, Tricia Devereaux, Veronica Hart, Peter North, Randy West, Nick East, Michael J. Cox, Vince Vouyer and Scotty "The Toy" Schwartz.
Videocassette: Wicked Pictures.

Scotty Schwartz is a former child actor who once costarred with Richard Pryor in a cute-kid fluff comedy called *The Toy*. As Schwartz aged, his chubby apple cheeks and stubby arms and legs seemed less lovable and cuddly and more like the attributes of a short, fat guy. Hollywood stopped calling. Instead of taking the honorable ex-child-star route—liquor-store holdups, drug rehab, Sally Jesse Raphael—Schwartz has traded his barely tradable celebrity for the lead role in *Scotty's X-Rated Adventure*, a pornographic

loogie hawked onto the wanking public by Wicked Pictures. The snot-slick flick depicts the lovely Juli Ashton preparing puffy-faced Scotty for the unlikely part of blue-screen woodsman. While the ensuing education features an enticing poke inside French fuck freak Rebecca Lord, the curricula is dominated by Schwartz's lame mock-comic camera mugging. The excruciating final scene posits an Ashton and Schwartz coupling, but soft-serving Scotty might as well be shoving a marshmallow through a coin slot. *X-Rated Adventure* is a truly bogus journey.

—R. C.

HOT LETTERS

BALL AND CHAIN

Thanks, HUSTLER, for 23 years of fine raunch—and for saving this subscriber's marriage! My wife, Sadie, and I have always derived boudoir inspiration from America's Magazine. Without HUSTLER, we never would have tried enemas, felching, fisting, anal beads or golden showers. Hell, I never even broke an egg on Sadie's butt and used a magnifying glass to watch the yolk dribble down her crack before I saw it done in HUSTLER!

Recently, however, our love life became so dry, even the guidance of Larry Flynt couldn't get my wife's juices flowing. I tried to interest Sadie in a *Sex Play* column about bloodletting ("Blade Runners: The Bloody Games Cutters Play," November '96); she handed me a butter knife and told me where to stick it. When I suggested she follow the shining example of the Florida Sinkhole and employ our fire extinguisher as a dildo, her comments were too obscene to be reprinted in these pages.

After eight years of nonstop fucking and sucking, this lull came as a worrisome surprise. Maybe Sadie was blowing the paperboy. Maybe she simply wasn't attracted to me anymore. With each frigid night in our increasingly chilly bedroom, I grew more desperate to rekindle Sadie's libido. At least I could look forward to the new issue of HUSTLER; my hand never falls asleep on me during intimate moments.

When that familiar package from Larry Flynt Publications blessed my mailbox, I tore into the envelope. Sure enough, the latest edition of my favorite magazine burst

out in all its pink-drenched glory. In addition, a single Polaroid fluttered onto the kitchen floor. Sadie snatched up the photograph, her eyes ablaze with curiosity. I tried to peek, but Sadie turned her back.

"My, oh my," she laughed. "Is this a friend of yours?" There was a certain lasciviousness to her throaty chuckle that I hadn't heard in a long time. I demanded to see the snapshot that was causing Sadie's nipples to stiffen right before my eyes.

The photo featured a statuesque brunette, sporting perfectly round casabas and a flat stomach, tied to a post in the desert. "Never seen her before in my life," I grunted. "Maybe it's some kind of *Beaver Hunt* bonus shot." Sadie didn't seem interested in speculating about the origin of the photo; she was simply transfixed by the sight of this bound beauty.

"You know," said Sadie, licking her lips, "we've messed around with every type of kinky sex except bondage. My girlfriend Donna says her Henry ties her up all the time." The thought of restraining my beautiful, blond wife and porking the shit out of her gave me an instant hard-on. I guided Sadie's hand toward the log in my pants.

I whispered, "There's about five yards of twine in the garage. I could get a few square knots going from your wrists and ankles to the bedposts. Or maybe a sailor's knot would be more secu—mmf!" Sadie shut up my excited rambling by plastering her tongue in my mouth. She unzipped my pants and softly stroked my wang.

"I had something a little different in mind," she purred. Then she dropped to her knees and quaffed me whole.

Half an hour later, I felt the circulation cut off in my right arm as Sadie pulled a twine noose tight around my wrist. I don't know how I let her talk me into it, but I was nude and bound to the bed. A rusty bicycle chain served to shackle my feet. Seeing my wife grin from ear to ear as she transformed into a full-bore bondage freak was quite a turn-on. Sadie planned to sadistically prolong that arousal for as long as possible. She slowly stripped off her clothes, revealing the smooth bod that gets me just as hot as the first day we met.

Sadie cooed, "Don't you wish you

could play with my titties?" She tweaked the nipples with spit-soaked fingers and wiggled the fat floppers just centimeters from my face. Pretty soon Sadie's sticky digits slid to the downy patch of yellow pubes that crowns her mound.

"Ooohhh," sighed Sadie. "My pussy's all wet and soft and steamy! Don't you wish you could cram me full of cock?" Sadie spread her twat lips to reveal the flush, colorful interior of her sopping vagina. The sight was making my head spin; my pecker jerked to attention, its steely girth twitching in the wind. I don't know if Sadie had ever been this excited, and I couldn't wait to feel her electrically charged privates from the inside.

Before I could thrill to that volcanic sensation, Sadie had a few more rounds of her game to play. She began, "I want you—"

"Then get on top of me right fucking now," I yelled. "I'm about to get off just looking at you!"

Sadie let loose her dirty-minded chuckle and climbed onto the bed, positioning her ass so close yet so agonizingly far from my purple crown. "Let me finish my sentence," she insisted, brushing her engorged genitalia against mine—without allowing me to enter. "I want you to beg for it." This was going too far! I felt the blood rushing to my groin;

if I didn't release the torrent of splooge rumbling in my balls, I

Hot Letters

She cried, "You're going so deep, it hurts! It's so fucking good! Touch my cunt and bring me off." Now I knew she was completely drunk on dick; Sadie forgot my arms were tied!

was sure to die of a testicular overload.

"Please," I whined. "Please, Sadie. Fuck me before I pass out!" Sadie rewarded me by spearing her nonny with the first inch of my slab. Being careful not to allow more of my pride inside her, Sadie swiveled 180 degrees, affording me a front-row view of her big bottom. I wanted to grab those fat hocks of hers and bury my spike within her scrunt, but I was at the mercy of my wife's slow strokes. She bounced up and down at an agonizingly slow rate.

The way Sadie milked my bone with her tight cunny clamp felt better than fucking any supermodel. She reached down and wrapped her fist around the base of my gourd; I know from experience that means she's aiming for a gushy, G-spot orgasm. After riding me a little bit faster, Sadie erupted in howls of tortured delight.

She cried, "You're going so deep, it hurts! It's so fucking good! Touch my cunt and bring me off." Now I knew she was completely drunk on dick; Sadie forgot my arms were tied! I offered to lend her a helping hand—as long as she untied it first. Without dismounting my member, she hurriedly tore off my restraints. As soon as my arms broke free, I pushed Sadie into a doggy-style position, plowing her hole mercilessly. One hand rubbed against her clit while the other mauled her swinging teats. Finally Sadie and I came together in an explosion of squirts and screams.

Afterward, we jumped into the bathtub together, relaxing as we read the new HUSTLER. I wondered out loud how that Polaroid ended up in my subscription envelope. Sadie figured it must have been a simple mail-room mishap, but I have a different theory, and it involves the divine intervention of one Lawrence Claxton Flynt. Not a bad way to celebrate your 23rd anniversary, HUSTLER; now how are you gonna top it next year?

CREAM WEAVER

I've been kind of tense since I lost my job as a mechanic. Accepting a minimum-wage position as a dishwasher forced me to sell my car and move into a flea-infested slum on the bad side of town. It's all because of one bad night when I flew off the handle. But I'd rather not go into that; I've been trying to focus on the positive things in life. Like that sexy, zaftig, brunet thing who used to live across the hall.

The babe with the bodacious bazooms went by the name of Crystal, and she was a red-hot piece of ass. Each night as I dragged my exhausted carcass up the stairs, desperate to collapse on my dirty mattress,

I was greeted by the sight of Crystal smoking on the fire escape. She practically burst out of an aging terry-cloth bathrobe, heaving acres of pink cleavage with each puff on her cigarette. The two of us exchanged weary smiles, but that's as far as I was willing to pursue the flirtation. I've heard what Crystal's big, fierce-looking boyfriend does to her when he comes home drunk; I don't particularly relish the thought of the muscular mongoloid dishing me the same treatment. That doesn't stop me from masturbating to the thought of Crystal's

jugs the second I'm behind closed doors.

Last night the air conditioner conked out, which was actually a relief; at least the constant rattling wouldn't keep me awake. Unfortunately, the heat was sweltering. I tossed and turned, suffering from feverish visions. One such apparition involved Crystal standing above me in her bathrobe. She was naked underneath, a fact that was visible even in the darkness; Crystal's furry, pink snatch leered at me from my vantage point between her legs. Meanwhile, the lips on her face were smeared in such a heavy,

Hot Letters

Crystal's throat was swallowing my love muscle; the tingling sensation of a deep and sloppy blowjob shot up my spine, and I returned to eating her poontang with renewed fervor.

messy layer of lipstick, my dream girl resembled a curvaceous clown. That struck me as unusual, but when it comes to my perverse imagination, nothing surprises me.

I grabbed her by the ankles and ran my hands over her muscular calves. Crystal sure felt like flesh and blood. If this was simply a case of nocturnal emission, I intended to enjoy my wet dream to the fullest. I pulled her down on top of me. Her slick, musky snatch rested upon my mouth.

"Mmmaaahhh," sighed Crystal, grinding

her hips in circular slow motion. She was painting my face with pussy juice, and it was all my tongue could do to keep up with her swelling clit. Soon I was swabbing her labes as Crystal took two digits to twiddle her love button. I cupped her voluptuous ass, kneading the cushiony rump pillows and guiding her loins to further smother my face.

Every drip and spasm of my cunnilingual explorations seemed so real, I almost forgot I was dreaming. Until, that is, Crys-

tal arched her back so far, she actually managed to kiss the tip of my rigid cock—up-side down. No woman could possibly be so double-jointed as to 69 while bent backward like a hermit crab. Yet Crystal's throat was swallowing my love muscle; the tingling sensation of a deep and sloppy blowjob shot up my spine, and I returned to eating her poontang with renewed fervor.

Crystal popped her mouth off my tool and panted, "Stop." I obeyed. Without another word, she slithered out of her contorted position and took a seat on my meat pipe. I gasped as my first few inches slid inside Crystal's velvety canal. The tremors of her cunt were more sensitive and tactile than I'd ever imagined—except, of course, that I was imagining the entire, frantic fuck. I pushed my rod into her maidenhood ball-deep, and the two of us groaned in unison.

Scalding heat from Crystal's honeypot bubbled over my loins, but her body was cool to the touch—even freezing. I sat up while grinding inside of her and took a pert nipple gently between my teeth. Crystal squealed and ran her fingers through my hair. She was bucking in my lap and pressing her face against mine in an attempt to pull our writhing bodies together. A trail of lipstick followed as she dragged her mouth down my neck and onto my chest.

The inferno cooking in Crystal's vage, coupled with the touch of her icy skin, soon consumed my form in a brand of orgasmic shivers I'd never experienced before. Her ass bounced against my balls, which ached to release a flood of liquid sex. When the lightning strokes of her sugar walls brought my climax to the point of no return, Crystal jammed her fingers into my mouth. I bit down hard, restraining a cry of ecstasy as my sperm unloaded inside Crystal's womb.

Spurt after spurt of my burning cum flew between Crystal's thighs; a few pearly dribblings leaked down her leg as she unsheathed my member. She quickly pulled her robe back on. Things get fuzzy for me after that; I think I fell asleep, but then again, I think I was already asleep.

Today I couldn't get into my apartment building; a yellow police line was taped up, blocking off the area. I waited around and saw the cops drag out Crystal's boyfriend in handcuffs. He was screaming that Crystal wasn't even home last night. I can't believe I have to live in this hellish ghetto, where the neighbors turn up missing. All because of one bad night when I flew off the handle.

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

When Lenny Met Larry

BY CHARLOTTA HONEYSUCKLE • ILLUSTRATION BY DANNY HELLMAN

Lenny Bruce was a unique American voice. An off-color comedian who performed during a repressive American era, Lenny insisted on exposing topics that church and state would rather not acknowledge. Lenny told the hidden truths about sex and politics, and he was funny as shit. No wonder society hounded him to an early death.

Lenny Bruce was arrested, confined, marginalized and boycotted. Gloria Steinem would not have dated him. Termed "decadent, obscene, immoral, amoral," Bruce's parallels with Larry Flynt strike deep: Both married former strippers, both had sudden religious conversions later repudiated, and, like Larry Flynt, Lenny Bruce was the subject of a major motion picture.

In summer of 1966, Bruce was at a low point. Legal battles and drug use had depleted the comic. His confidence soured, Bruce landed at a tiny Dayton, Ohio, bar. That bar was owned by a brash young hustler from Kentucky. In this recently unearthed fabrication from the diaries of Charlotta Honeysuckle, the story of Lenny meeting Larry is told for the first time.

* * *

July 5, 1966: I met the funniest man last night. He was a little bit greaser, and he smoked reefer. He drove the prettiest purple Cadillac convertible that Dayton, Ohio, has ever seen, and he wore a strange religious medallion around his neck. Lord, I just hope he was not a Mexican. My reputation cannot stand another Mexican.

The whole sordid tale started out innocently. I'd dolled myself up in my Miss Liberty nightgown and trotted down to Larry's Hillbilly Haven for that esteemed beer hall's First Annual Fourth of July Costume Party and Goat Fucking.

Larry Flynt had fenced off the horseshoe pit out back of the tavern, running a stretch of red, white and blue bunting from the men's outhouse to the lady's powder shed. A couple of

rams was penned back there, drinking green beer left over from St. Patrick's Day. The ewes was being rode pretty rough, and the billy goats must have been wondering if there'd be any pussy left over once Mr. Flynt's hired hands finished taking free samples.

Larry was far too classy to be romancing four-legged females, even though the Hillbilly Haven is his place, and he does have dibs on the performers. This is just one example of the sophistication that makes me crazy for those Flynt menfolks.

Larry was busy busting up fights that erupted in the goat line and keeping his eye on his cash register; so he failed to notice my statuesque five-foot-two frame with my titties squeezed together like suckling hams and my pea-patch ass poking out the rear of my Miss Liberty nightie.

This stranger I never seen in Dayton, sort of oily and sweating independent of the outside temperature, sidles up and consoles me.

"So what's a girl like you do for a living," he smirks, his dark, dreamy eyes making a sleepy tour of my natural wonders, "although I bet I already know."

"I bet you don't," I retorted, and I wish we would have put some money

on it. I told him how I drove a tractor for the dairy farm until I got fired for colliding with two cows in one month while I was making a left turn.

"It was the cow's fault both times," I says, pouting.

"Did you signal, baby?" says the stranger.

See what I mean about him being funny? Who ever heard of signaling a cow?

He says: "What's a cool chick like you do for kicks in this hick burg?"

Wouldn't you know it? Once another man shows interest, Mr. Larry Flynt is leaning across his bar and hanging all over me.

Larry says: "How long you gone be in these parts, Mr. Hickberg?"

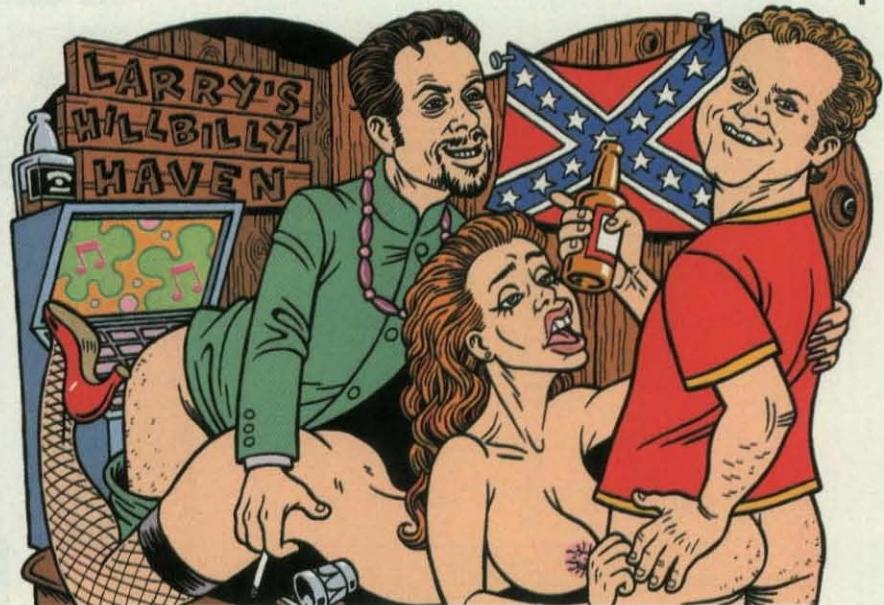

The oily man laughed like he'd been punched in the stomach yesterday for not getting a joke and didn't want to get punched again.

"The name is Bruce," he says.

"Bruce?" says Larry. Me and him was thinking the same thing.

"Hey, dig. Don't make me for a faggot," says the swarthy man. "Bruce is my family name, and faggots don't have families. Maybe you've heard of Lenny Bruce? I was once as famous as chopped liver."

Sex Play

"Larry," says Lenny, "it's easy for you to talk this optimistic rap—look at you, in your early 20s, busting with vitality and bennies. The world's your oyster, with pink lips and a pearly joy buzzer."

This Lenny Bruce was in Dayton, Ohio, because he'd been banned everywhere else, and he needed to earn some money before the U.S. government threw him in prison for making jokes about people having sex. "If I was a faggot, would I be unhappy about going to prison?" he said.

"The U.S. government can't put a man in prison for making jokes about sex," says Larry, not totally trusting the famous unknown man, "or I'd be a jailbird."

"Just you wait," says this Lenny.

Larry must have felt sorry for the funny man, who did have a way of working his eyes so you'd feel pitiful for him.

"I'll give you a job," says Larry.

Larry's idea was for Lenny to set up on the bar behind a curtain with a sign around his neck that said JEW. "I'll pay you three bucks a shift, and you can keep all the tips."

Lenny Bruce thought that offer over. He seemed uncertain that folks would pay two bits to just look at a Jew.

"Maybe if they could poke me with a stick, that might be a gas," he says, all sad and brooding.

"We'll charge extra for physical contact," says Larry, lit up with genius.

This Lenny Bruce is saying in every other word that he is a Jew, which I sus-

pect is somewhat different than being a Mexican. But I can't be positive. Lenny proceeds to tell me that the Jews are an ancient and culturally rich peoples, but Lenny has never been to a goat fucking and don't even know what one was; so how much culture could the man have?

"A goat fuckin' is like a dog fight," I explain to him, "but a fella feels okay to bring a date."

"My schtick can't compete with that action," he says, taking off his JEW sign.

Lenny looked awful tired. His skin was hanging like it just couldn't bear the thought of holding itself up no more. The Fourth fell on Monday this year; so the bar was full of casualties from the long weekend of boozin' and brawlin'. Nobody looked half so beat up and fed up as Lenny Bruce. The man couldn't have been more than 40 years old, and he carried the troubles of all time.

"Mister," says Larry, "I don't see what you got to be so hangdog about."

"I'm the first one in my family ever sent to prison," says Lenny. "My mother wanted a doctor."

"Quit crying, Bruce," says Larry. "It's the Fourth of July, a celebration of freedom and liberty. You got a slice of Southern hospitality, Charlotta Honeysuckle, on

(continued from page 53)

your arm, and you are about to witness the most erotic goat coupling in all of Montgomery County."

I never like it when a grown man cries, but I would have preferred tears to the wheezing laugh that Lenny choked out.

"Larry," says Lenny, "it's easy for you to talk this optimistic rap—look at you, in your early 20s, busting with vitality and bennies. The world's your oyster, with pink lips and a pearly joy buzzer. Me, I'm washed out. Does the world care if a dirty Jew comic rots in jail?

"You know why they came after me? It wasn't the pussy humor. It wasn't the reefer and scag. It was the politics. I never should have made fun of politics.

"Stick to pussy. That's my advice as a beaten man to a young comer, Larry. Look at this place. Get some strippers in here. Pussy will make you a billionaire. Just don't mix it with politics, and you'll be safe."

Larry is always ready to talk pussy, and I love being the center of conversation.

"I know what would cheer up this good old boy," says Larry, nudging me so my boobs jiggled up out of my Miss Liberty.

"You want I should schtup her?" says Larry.

"Schtup?" That word don't sound pretty, but Larry assures me I'll like it a lot.

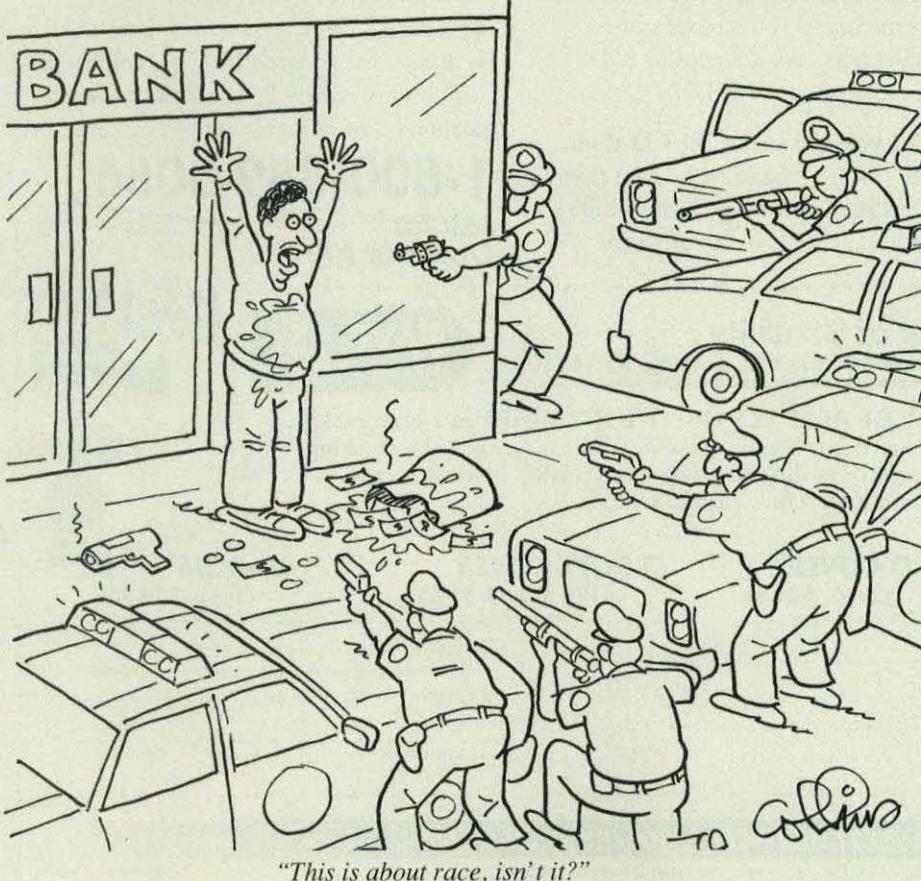

The mob of customers was rioting out back where the goats was making love; so we had the bar to ourselves. Lord knows I'm not a drunken slut, but I did make the first move. I felt like a human wishbone with two turkeynecks sparring to see which one split me widest.

I'm surprised I didn't burst into flames. Their cocks felt like torches passing through me. Those two men was saying something to each other and just using my body as a means of communicating it.

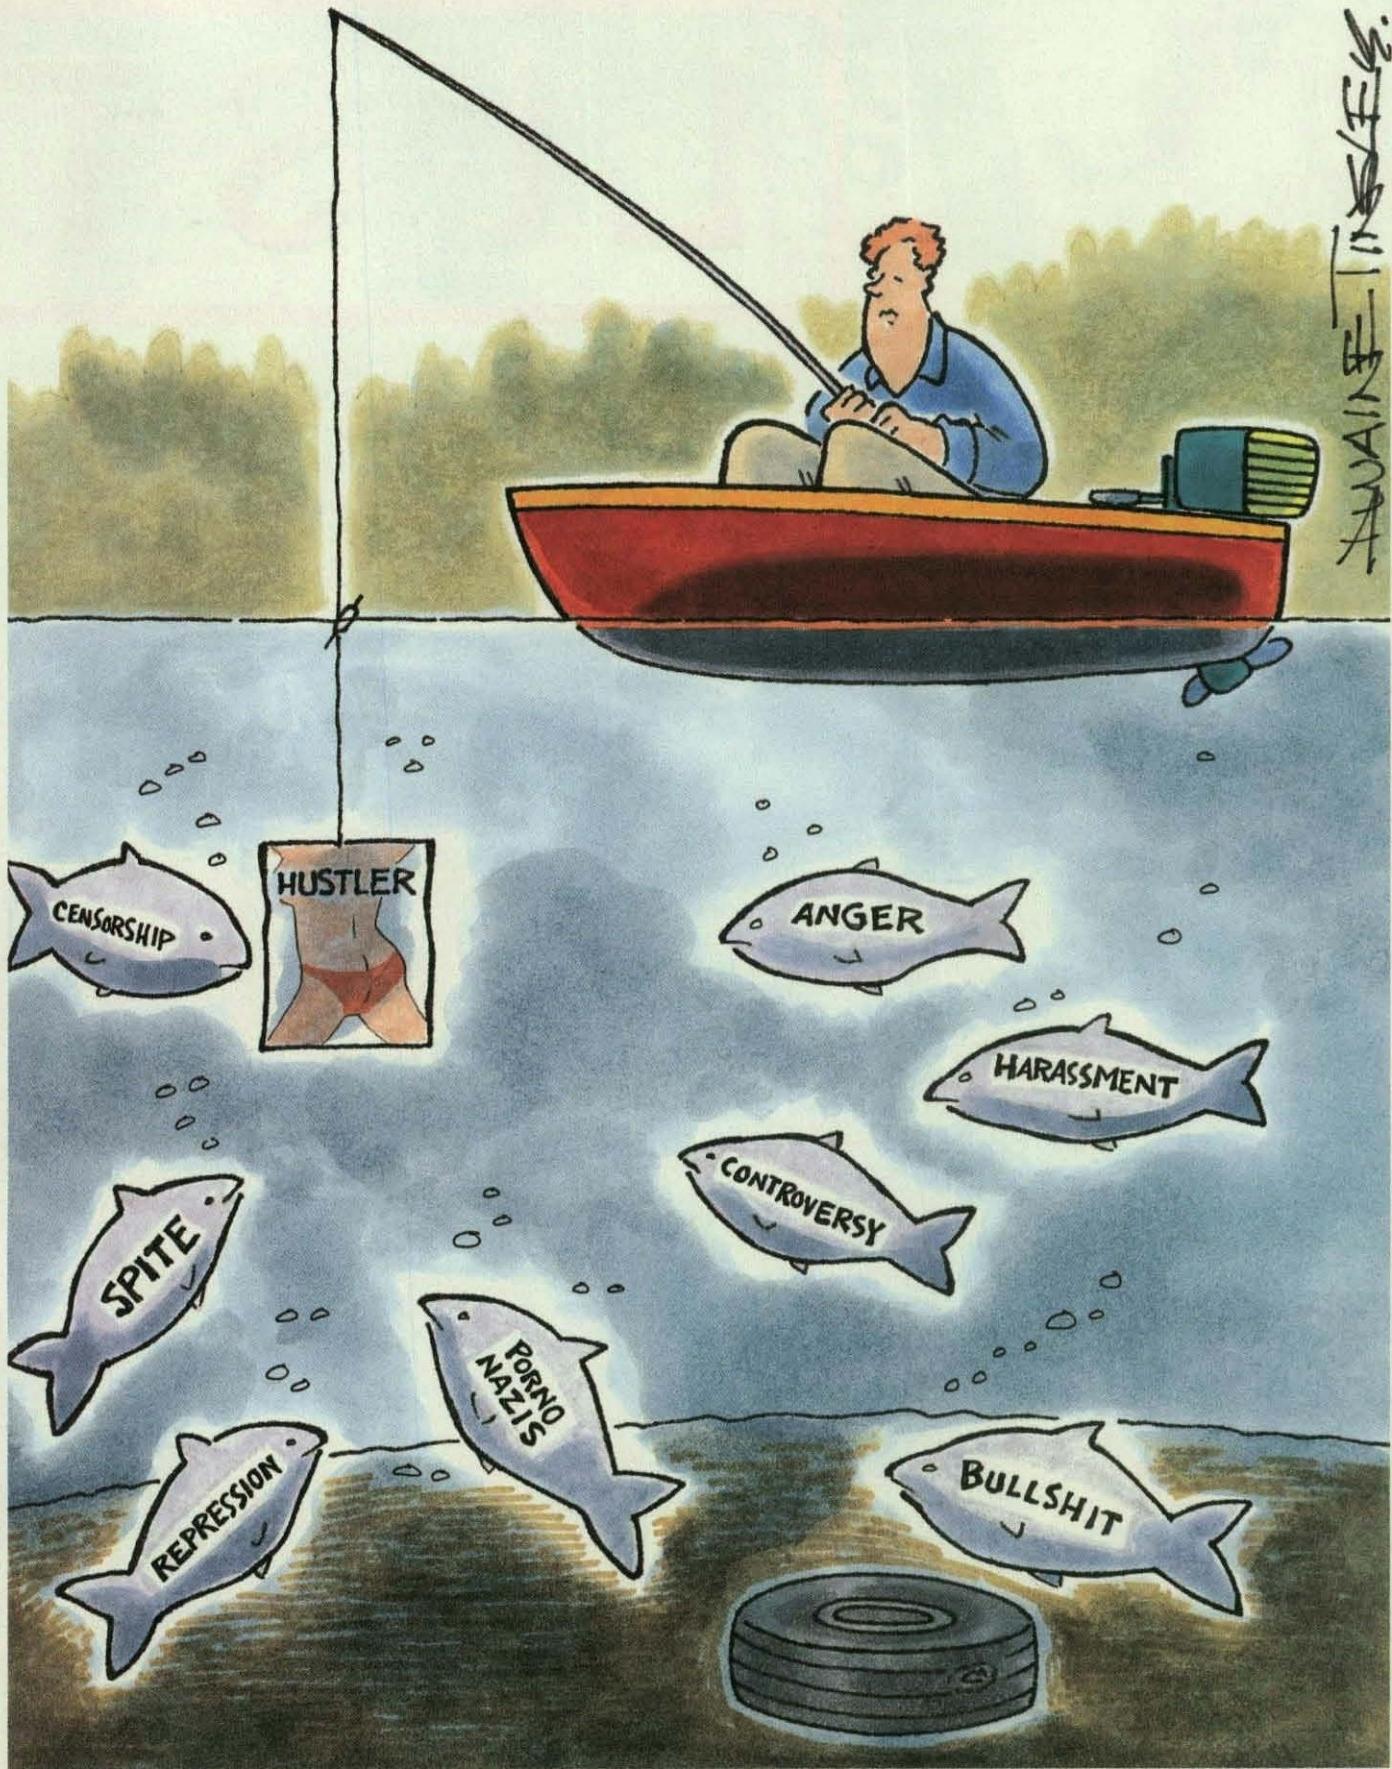

I've enjoyed the affections of a fair number of studs, but Lenny and Larry each on his own dwarfs anyone else. I don't expect the world has bred more than five or six men like Lenny or Larry. The odds of bringing two of their like together again is sheer impossible. I had both of them at once. It makes me feel real proud and sad at the same time.

THE BURDEN OF BAD

ONE AMERICAN'S TERRIFYING DEFEAT AT THE HANDS OF

DREAMS THE THOUGHT COPS

REPORT BY LAURA KIPNIS * ILLUSTRATION BY JUSTIN FORBES

What kind of society sends its citizens to prison for their fantasies? In this abridged excerpt from her book *Bound and Gagged: Pornography and the Politics of Fantasy in America* (New York: Grove Press, 1996), Laura Kipnis argues the case of a man doing hard time for a crime that no one committed.

DePew

His courage bolstered by policeman mentor Bobby, Dave lets his guilty fantasies about young boys intensify, and between the two of them, a plan evolves to produce their own child-porn video.

The United States v. Daniel Thomas DePew is a case about fantasy, from beginning to end. Daniel DePew's catastrophe was that his particular fantasies happened to collide with those of the government. DePew, of course, lost. The only part of this case that's not fantasy are the 30 years DePew will spend in a federal penitentiary.

* * *

In February 1989, an enterprising San Jose, California, police officer named James Rodrigues, working undercover, posted a message on a computer-sex bulletin board called "CHAOS." Calling himself "Bobby R.," he wrote, "Subject: Youngsters. Looking for others interested. Hot and need someone. I'll travel if we can set something up. Pics of the real thing better."

Dean Ashley Lambey, a 34-year-old real-estate agent from Richmond, Virginia, read Bobby's ad. Using the name "Dave Ashley," he wrote, "Your message caught my interest. Think we may have something in common but need to explore more. Want to talk?"

Bobby writes back. After each assures the other they're not postal agents or cops, it quickly emerges that they're both interested in pictures of young boys. Bobby begs Dave to keep up the corre-

spondence because, "It's hard to find friends with our interests." Police officer Bobby reveals that he has an "extensive personal photo collection and occasional access to 'models'" because, he writes suggestively, he works at a boys camp.

This tantalizing bit of information launches a three-and-a-half month correspondence in which Bobby painstakingly cultivates and wins Dave's trust by reinforcing Dave's guilty interest in children. "I used to think that I was the only person in the world with these feelings," writes Bobby, "and that NO ONE could ever understand how I felt." Bobby lets Dave in on another secret: He also works for a tough-guy pornographer named Roberto, who produces smut for "private clients and their fantasies." "I'd really like to show some of my stuff off," he volunteers.

Dave is, by his own accounts, a pretty ineffectual pedophile. In contrast to Bobby's assurance, he repeatedly describes himself as too nervous and paranoid to approach boys—even for "perfectly legitimate reasons," he moans, like cutting his overgrown lawn. Dave turns to Bobby for advice on how to gain access to boys and what to do with them when he does. He asks basic sexual questions like how old boys have to be to have erections and orgasms. For a purported

pedophile, he's pretty out of the loop.

Despite vast efforts, Dave can't seem to come up with any photos of young boys. As he complains to Bobby, "It seems there is NO safe source for materials here domestically, unless we want to produce some ourselves." Bobby responds quickly, "What did you have in mind in the way of making our own movies??? Really interested." Dave writes that he'd only been half-serious, but Bobby continues to promote the idea: "Read that you were fantasizing about videos. I'm interested if you are???"

His courage bolstered by policeman mentor Bobby, Dave lets his guilty fantasies about young boys intensify, and between the two of them, a plan evolves to produce their own child-porn video. But who'll star? Dave claims to have a "source" in Florida who will provide young boys.

Although Dave is often uncertain about the whole project, this "fantasy" (his term) becomes the regular subject of lengthy, rambling phone conversations. So does the very gruesome possibility that the boy will somehow have to be "disposed of" once the film is wrapped, for Dave and Bobby's protection. This idea makes Dave squeamish: He imagines himself growing fond of the imaginary boy. He says he'd have "moral qualms," but is also willing to discuss the possibilities in ever more vivid detail—as long as Bobby reassures him it's okay. When he doesn't, Dave gets insecure: "You probably think I'm a real mental case," he writes, when Bobby's not sufficiently enthusiastic about one or another detail.

This kinship between Bobby and Dave was actually being carefully orchestrated by the FBI: Detective Rodrigues was regularly consulting the Behavioral Sciences Unit at FBI Headquarters, who advised him on how to play Dave most effectively—though they themselves admitted to having no idea whether he was serious or fantasizing. If he were serious, why would he be so incautious? He'd never even met Bobby. Rodrigues also told the local FBI he thought that Dave's Florida "source" was a fiction. Nevertheless, Rodrigues was told to set up a meeting with Dave as soon as possible to gauge his seriousness.

Online, Bobby presses the issue, telling Dave that his boss, Roberto, will bankroll the film. Bobby will even fly east for a meeting: "But I don't wanna come out there for nothing, I wanna make sure if we're gonna do it, we're gonna do it." Dave agrees: He's game.

Now there's another twist: Bobby announces he's bringing a friend in on the plan and tells Dave to find someone on

the East Coast to join them. Dave argues strenuously that they don't need another person, but Bobby insists.

Why the friend? Why a fourth person? Because the cops' goal is to nail Dave for conspiracy to commit kidnapping and murder, and the law says a suspect can't form a conspiracy with the police. Without another noncop, there'd be no crime here. Bobby prods Dave to come up with a name: "Let's put the machine in gear and get going."

Around this time, one Wednesday night, Daniel DePew, a 28-year-old systems-control engineer at an electronics company, happens to log on to another computer bulletin board, called "Drummer." Ashley also happens to be online, sees DePew's description and beeps him. The two chat, and Ashley asks for DePew's number. A few days later, Ashley calls and proposes getting together. He'll drive up from Richmond and rent a hotel room.

When the two met up at the Radisson in Alexandria, discussing fantasies was the first order of business. Ashley brought up his interest in children. DePew says he told him that he wasn't into kiddie sex, but said, "I can be open-minded." Ashley described the kidnapping/snuff film scenario as a favored fantasy and mentioned his pornographer friends from California.

DePew, a veteran of the Washington, D.C., gay S&M scene, says he didn't really think about whether Ashley was serious or not—kidnapping fantasies, arrest fantasies, even execution fantasies were standard fare in his world.

Daniel DePew was a tailor-made scapegoat. His sex life involved elaborate role-playing, and the roles were often "daddies" and "boys." But despite his unorthodox private life, he wasn't a pedophile: His sex partners were all adults, and the violence was all consensual. To DePew, "boy" was a *role*, not a chronological age, and violence was a form of private theater. There were rules and safety procedures, and despite lurid fantasies about kidnapping or execution, the participants were always willing, and everyone went home alive.

DePew, who had been hoping the meeting would lead to sex, found Ashley repellent—"a troll"—and was turned off. They spent an hour or two talking, didn't have sex, and DePew left, not expecting to see Ashley again.

Three weeks later, Ashley left a message on DePew's voice mail. His friends from California were in town and maybe the four of them could get together? As promised, Bobby had flown to Richmond, accompanied by his undercover partner, R. J., who would play another hard-guy

pornographer. Without DePew being aware of it, Ashley—assigned to come up with another player—had proposed him for the role. Calling Ashley to set up their first meeting, Bobby prodded him to bring DePew. Dave only had Dan's work number though, didn't reach him and didn't leave his number.

* * *

The first encounter between Ashley and the detectives starts out awkwardly, with small talk about the weather and cars. R. J. finally pulls out a book of S&M photos, telling Dave they all have "basically the same kind of interests" and turning the conversation to the snuff film. Ashley continues to raise objections to both the kidnapping and the violent finale. The two cops try to overcome his hesitations. Ashley mentions the possibility of obtaining a boy from his Florida contact instead of a kidnapping, but it will take maybe a month, and R. J. vehemently protests, "Man, I thought that's why we came out here. I didn't want to wait no fucking month." Thus back to kidnapping. (Conspiracy to kidnap carries one of the highest sentences on the books.) They discuss the possibility of DePew doing the "snuff," and Ashley says of the boy, "Ideally, I'd just like to, you know, kick it out."

R. J. says, "Let it walk?"

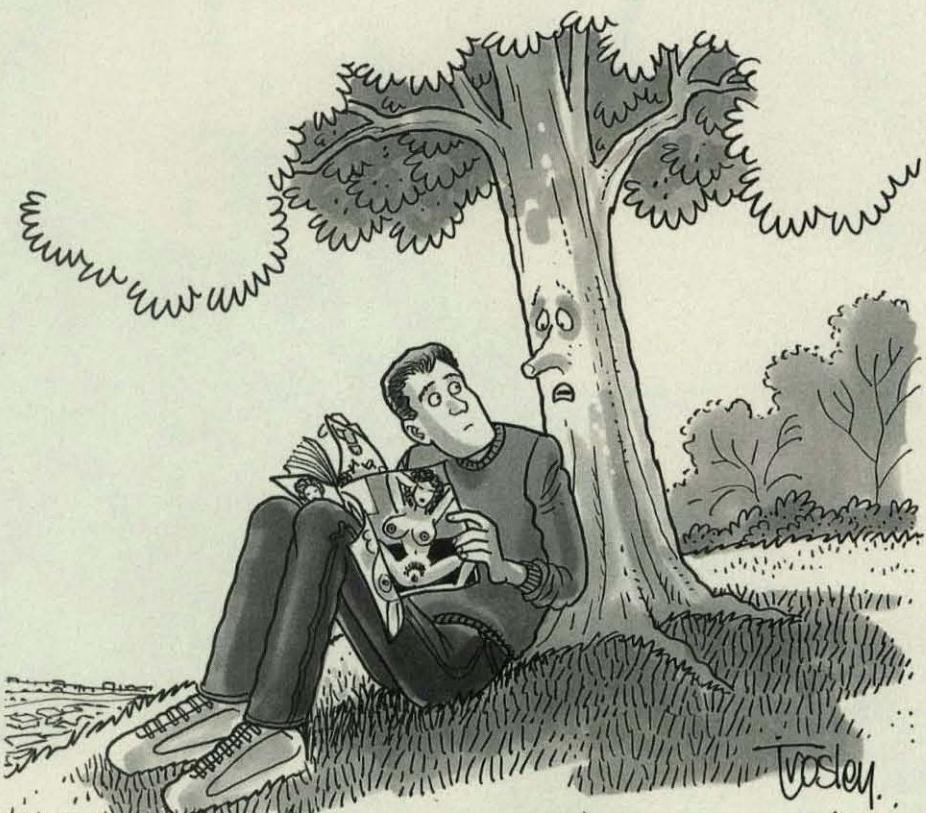

Dave says, "Yeah."

R. J. counters, "Then let it talk."

Dave agrees, but repeats, "If there was some way we could do what we wanted without the ending, I think we'd probably do that. You know, fantasies don't always turn out the way you think they will."

The detectives aren't particularly interested in Dave's moral qualms—they need him to deliver Dan DePew. Over the next two hours, R. J. and Bobby repeat the necessity of meeting DePew *seventeen times*. According to R. J., since Ashley's told DePew about the plan, DePew *must* be in on it. Dave says Dan only knows sketchy details. R. J. barks, "Don't be fucking stroking me along here. Does he know what we're doing? Yes or no?" Later he summarizes, "I guess we're in agreement; Dan's going to do it?" Dave reminds the cop that they'd have to ask DePew—Dan knows nothing about any of this. As Dave's preparing to leave, R. J. commands him—twice—to talk to Dan first thing in the morning.

At this point, Bobby has been courting Dave Ashley for close to four months. Without a fourth person, there is no crime. In other words, these two detectives have flown across the country in order to engineer a crime that will not occur without their instigation. Without DePew, the

whole caper amounts to four wasted months and a mountain of wasted law-enforcement dollars. The meter is ticking.

* * *

Back in California, Bobby calls Dan DePew at work himself, leaving a message that he's a friend of Ashley's. The next day, Bobby leaves another message: He's on his way to Washington and hopes they can get together to discuss "mutual interests." Having failed to arrange the four-way meeting on their first trip, the cops were returning for another try. Not trusting Ashley to deliver DePew, Bobby and R. J. bait a hook and reel him in themselves.

When Dan arrives at the Marriott for his blind date, he is surprised to find that Bobby isn't alone. While Bobby fixes him a drink, R. J. tells him they're concerned about Ashley. Dan explains that he doesn't really know Ashley; they'd only met once—he doesn't even have his phone number. Nevertheless, R. J. demands: "We were real curious as to what he had said about us."

Bobby adds, "The thing R. J. is trying to say is that we want to see where you're coming from."

DePew says he'd thought, initially, that they were talking about a "scene," a violent sex fantasy that would eventually lead to real S&M sex with the two men who had

invited him to the hotel. When Bobby suggested they order room service, Dan noted they didn't even want to leave the room for dinner and took it as a hopeful sign they'd all soon be taking off their clothes.

How could DePew have missed the fact that he was being set up? He later admitted, apologetically, that he'd been thinking with his dick. When he'd walked into the room, he'd found himself immediately attracted to R. J. The heavy, the guy in control: That was Dan's idea of the perfect man. And having cast R. J. as the top—in his mind—it meant that his own role was obedience: "When your man tells you to do something, you do it." So if R. J. wanted Dan to talk about making a snuff film, Dan was only too willing to comply. When R. J. asked him where he was coming from, Dan continued to play out the fantasy scenario he'd heard about from Ashley and replied, "Well, actually, my main interest is in doing the snuff." If R. J. wanted him to be the henchman in a snuff film, he could play that.

Over the next three hours, whenever R. J. cues him, Dan obediently spins out increasingly violent scenarios about his role in the film. The two detectives ply him with scotch, at least six or seven drinks. They tell him they've made snuff films before. At some point, Dan realizes

no one's taking off their clothes. They keep trying to get him to talk about Ashley—he doesn't understand why.

"What kind of agreement did you make with Dave?" R. J. asks.

Dan answers, "I told him we were talking in a purely hypothetical sense." He tells them he hadn't trusted Ashley, and they all agreed about that. The agents are pissed off that he'd neither called nor shown up—they must have seen their conspiracy slowly wafting away into the ether. Bobby keeps phoning and leaving messages on Ashley's answering machine. "Dan wants to know where you're at," he says desperately.

Finally, Ashley calls, and Bobby and R. J. berate him about not being there. "I think there's some things we gotta sit down and talk about," Bobby says sternly. "We thought you discussed things with Dan in a little bit more specific form as to who the people were that were gonna be involved and stuff." He gets Ashley to agree to meet the following night.

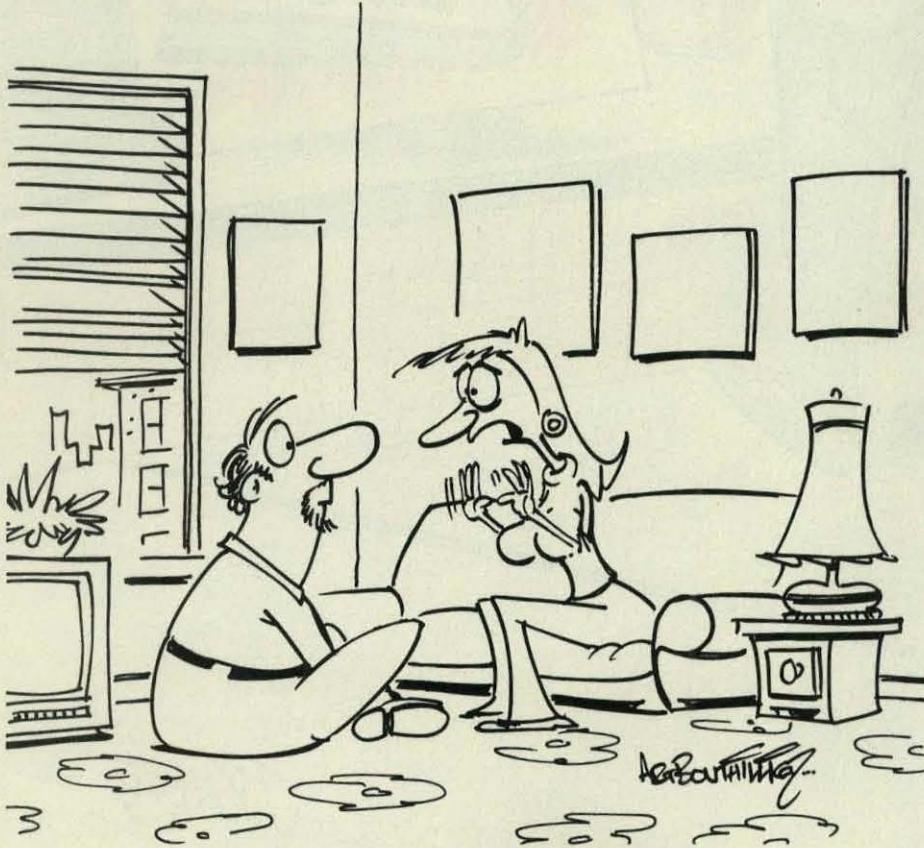

Dan stayed though and, spurred on by R. J., spent the rest of the evening regaling the detectives with rambling details about his sexual repertoire, which included hanging and electrocution and a passion for building elaborate sexual gadgetry and various contraptions for S&M scenes. He's like a sadomasochistic Mr. Goodwrench. Unfortunately for him, he's also the kind of guy who masks his nervousness and insecurity by talking too much—and what he likes to talk about most is sex. Violent sex. It was a classic case of wrong place, wrong time. Every word out of his mouth was another count in the indictment.

DePew's particular emotional landscape made him the perfect candidate for this entrapment scheme. He'd had a tangled relation to authority and manhood all his life, never quite getting over a teenage quest for masculine "role models." It left him way too impressed by these undercover cops playing tough guys and eager to impress them with his own capacity for violence.

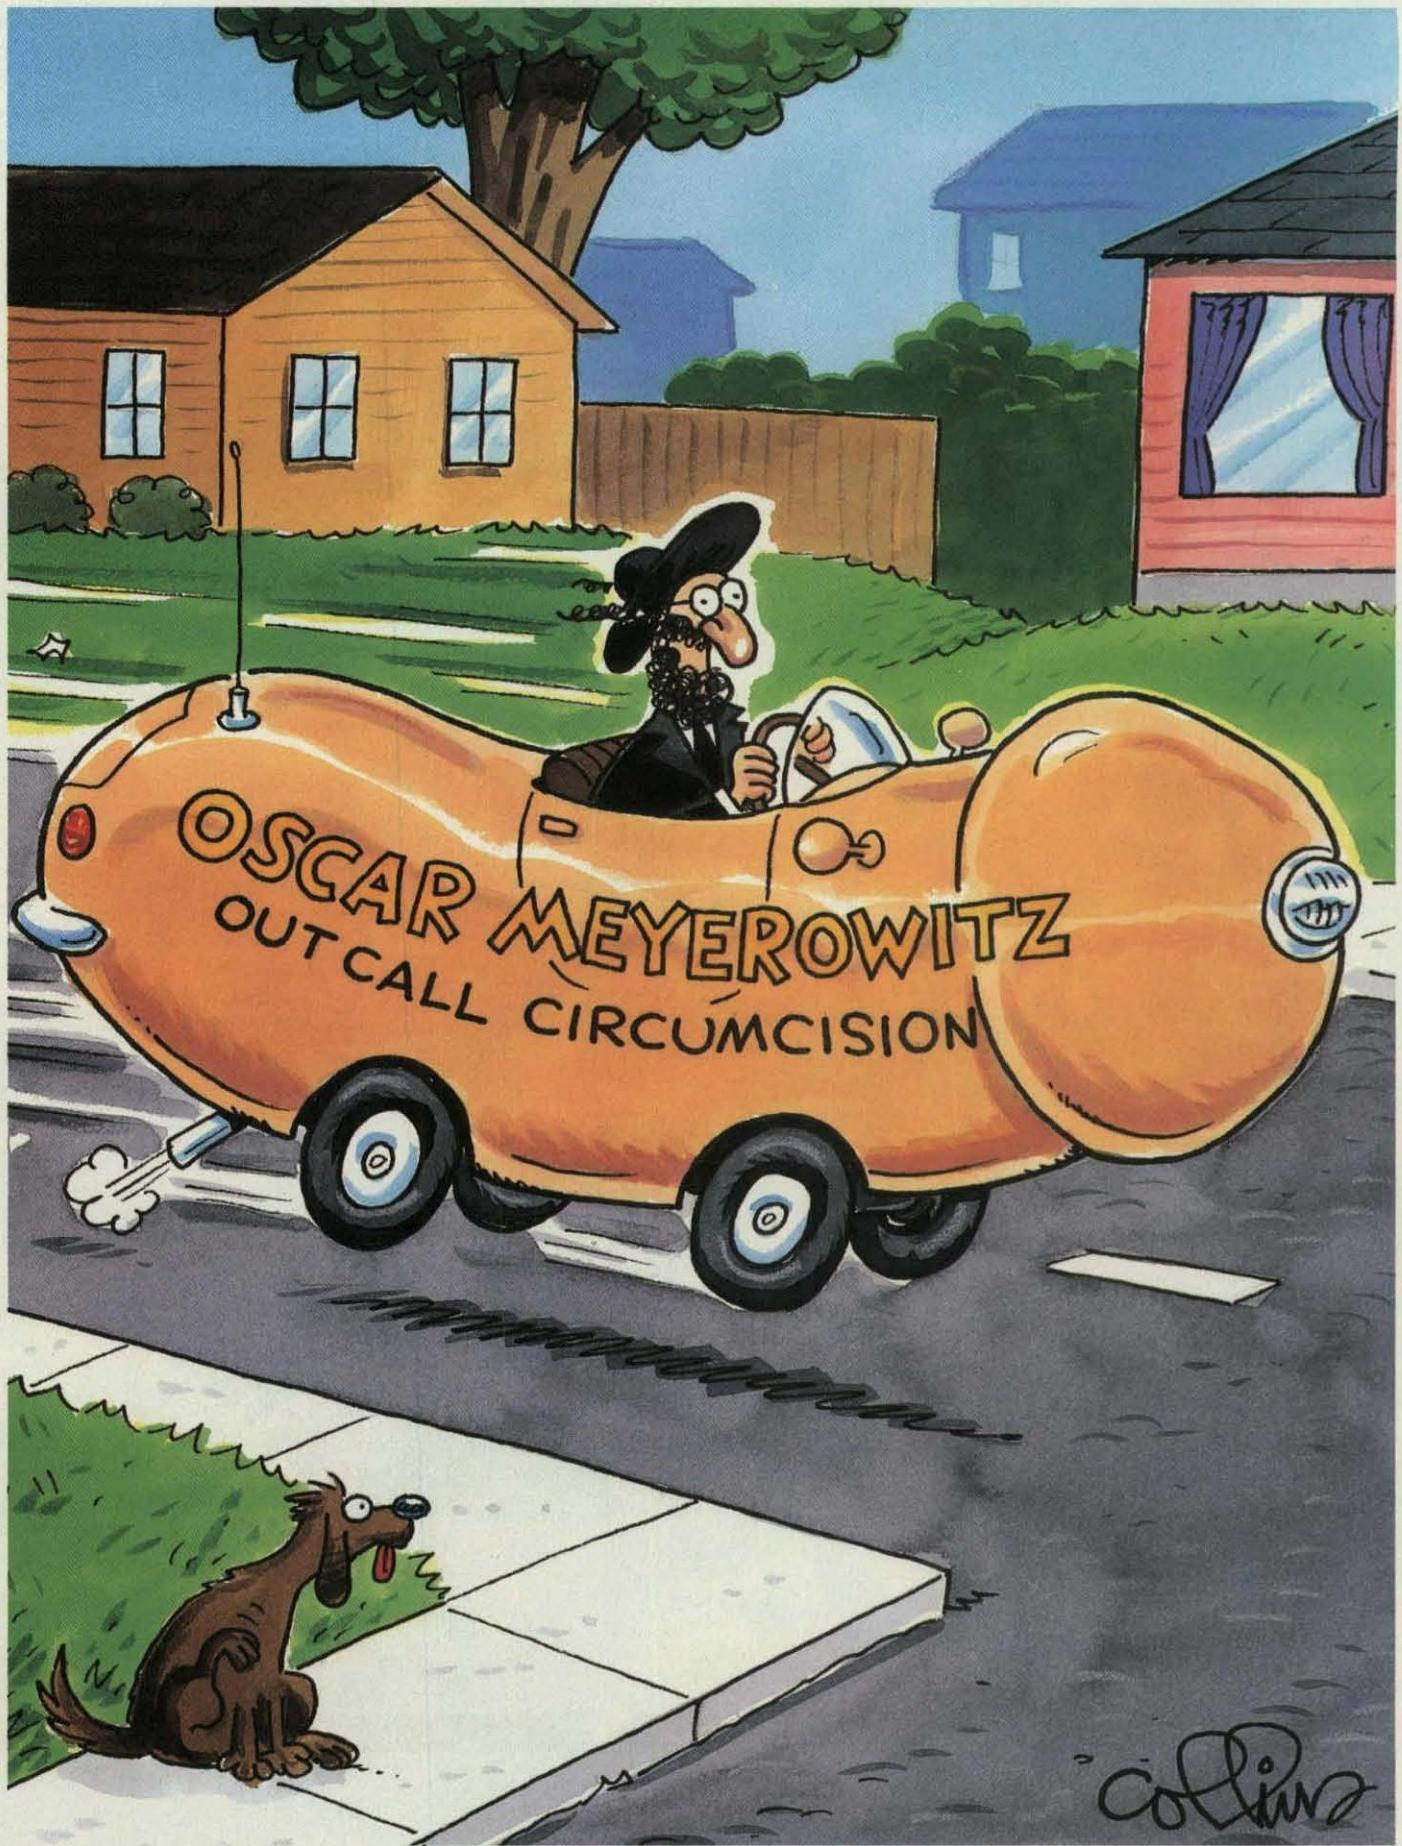

The officers also said threatening-sounding things about taking steps to protect their interests; Dan started worrying that if he tried to back out, they'd kill him. He figured the best thing to do was play along and not piss them off—he could talk about making a snuff film in all the detail they wanted.

* * *
The next night, Ashley shows up in an uncooperative mood. He tells the detectives he's been too busy to look around for locations. He mutters, "Bitch, bitch, bitch,"

A FLESH QUEEN COMETH

Elska

LIVE AT THE WORLD'S GREATEST
PORN CONVENTION

PROFILE BY EVAN WRIGHT * ILLUSTRATION BY MITCH O'CONNELL

Show us your pussy, Elska. Do you like a girl to lick your pussy, Elska? This chrome dildo is electrified, Elska.... When a beautiful, 21-year-old blonde makes her porn debut at the 1997 CES, in Las Vegas, Nevada, the chorus of wolves rushing her door makes a bone-chilling howl.

At 9:30 a.m. on Thursday, January 9, the first day of 1997's Consumer Electronics Show (CES), a 21-year-old blonde sits in a Las Vegas, Nevada, hotel room having her hair and makeup done.

Until a few months ago, the blonde was a Norwegian exchange student named Inga. She lived with an American host family in San Diego, California, and attended a community-college program in cooking and restaurant management. Boredom and a thirst for adventure brought Inga to an amateur dance contest at a local juice bar, where she was discovered by a XXX-video director and offered \$3,000 to star in her very own adult feature. After a few days' consideration, Inga took the cash.

Taped in a warehouse, Inga's first scene began with two sister flesh stars smearing her skin with psychedelic paints, French-kissing her from top to bottom and finger-ing her orifices full of lubricant. It ended with Inga engaging in oral, vaginal and anal sex with a well-hung porn stud, who baptized her entry into adult video with a splashy money-shot to the face.

Today at the CES, Inga makes her public debut as a porn star. Her chosen stage name is Elska, which means *to make love*. She will be signing promotional photos at the convention booth of Xplor Media, the manufacturer and distributor of her adult-video star turn, *Here Comes Elska*!

"Please, don't make me look like a streetwalker," Elska instructs the makeup girl in clear, pleasantly accented English.

* * * * *
An hour later, Elska is in a cab on her way to the Sands Expo Center, scrutinizing her reflection in a compact mirror.

"I look like a streetwalker," she complains, licking her finger to daub off the blue shadow that the makeup girl applied in thick layers around the green Norse eyes. Elska's wide, pillow lips are painted a shocking red. She kisses a napkin several times, dulling the brightness.

"I'm comfortable with the way I look naturally," Elska explains. "The only part of my body I don't like," she says, looking down at her five-inch-heel sandals, "are my toes. I've always thought they were ugly."

Ugly toes or not, Elska stops traffic as she emerges from the taxi, a 6-0 blonde in silver hotpants. She wears a metallic-tone halter top, loose-knit like chain mail, over her uplifting, silicone-free, D-size breasts.

A squat, bald man, whose dome top barely reaches as high as Elska's nipples, looks up at her, flaring his nostrils, dreaming big.

"Hi there!" Elska shoots him a friendly smile and sashays past. "I tried to start off to a good foot this morning, so I'll have a good day," Elska prattles as she is swallowed by the throng entering the Sands Expo. "Which foot to start with? I thought when I got out of my bed. But I decided it didn't matter which one went first, because both my feet are happy today."

Elska

Elska makes her first contact with a porn-queen colleague when Jasmin St. Clair, notorious star of a 300-man gang-bang video, barrels across her path, jostling Elska's boob with her elbow.

The Adult Entertainment wing of the CES is located in a monumental, windowless concrete space normally used as the Sands Expo parking garage. The vast interior is as cozy as the hull of a battleship, but the crowd—more than 100,000 people drawn by the lure of technology and flesh will enter in the next three days—creates a claustrophobic atmosphere.

Adult-entertainment exhibition booths are set up along aisles jammed like carnival midways. Lights flash on glitzy displays for companies hawking fuck videos, online sleaze, bondage gear and rubber novelties, such as fake vaginas casted from the pussy molds of today's top porn stars.

Elska's eyes flit to the other glammed-out skin-star aspirants roaming the hall. Feral brunettes in latex bikinis, titanic-titted blondes in bra tops so pointy, they could take an eye out, and twitchy red-heads in chains attract attention like glamorous carnival freaks.

The fans, gawking mouth breathers with Sony and IBM corporate badges from the mainstream CES exhibitions, circulate in clumps, aiming video cams and zoom lenses at the cavalcade of ass cheeks, ballooning breasts and fuckable faces.

Elska makes her first contact with a porn-queen colleague when Jasmin St.

Clair, notorious star of a 300-man gang-bang video, barrels across her path, jostling Elska's boob with her elbow.

"Excuse me," Elska blurts, painfully surprised.

St. Clair dodges eye contact and wiggles past, aiming her snoot at the ceiling.

"If she was a cartoon," Elska momentarily fumes, "I'd draw an equal sign next to her head and the word *bitch*."

* * *

The Xplor Media booth advertises itself with a ten-foot-high mural depicting Eve in an Edenic hemp garden below an ascendant S&M angel. Though Elska's video has yet to be released, pornophiles seeking autographs line up as soon as she takes her position behind the counter.

Elska's first admirer is a 250-pound behemoth with a hairy belly popping out from under a T-shirt depicting three bears whizzing beer piss on a flaming log. His glasses are smudged from continually poking them up as they slide down his greasy, red nose.

"Check out my video, mister," Elska says, proudly gesturing to the pink *Here Comes Elska!* box covers adorning the wall behind her. "You're guaranteed to like it. I'm the star."

Elska is still chattering as she bends over to sign more photos. Her ass picks

up a dance beat drifting over from a distant booth and begins to shake.

* * *

By early afternoon, Elska is still signing and dancing when three figures dressed in matching safari vests approach: a 6-4 black man with a proud, leonine face; a shorter black man with dreadlocks stuffed under a floppy beret; and an elfin blonde with a hesitant smile. They introduce themselves as Max Hardcore's film crew—Darren (tall, leonine), G (floppy beret) and Ashley.

"Max sent us over to invite you to appear in one of his movies," G informs Elska, throwing an arm over her shoulders.

"That scary dude in the cowboy hat?" Elska squirms away, laughing. "No way! He's mean!"

"Hey, Max is actually a very cool dude," Darren states. "What he does on screen is just an act. It's a character."

"He's only got a little bitty peener!" says G, holding up two fingers. "He's not a heavy pounder either."

"I'll have to think about it," Elska says skeptically.

"We're heading out to the parking lot later on to partake in some herbal smoke," G informs Elska. "Care to join us?"

"Yeah, I need to kick it a little later on."

* * *

Emboldened by the favorable attention she's received, Elska sneaks away from Xplor to gauge her prospects with other video manufacturers.

She is greeted warmly at the Evil Angel booth, hosted by John "Buttman" Stagliano and Gregory Dark.

"You are looking beautiful, sweetheart," says Victor, a barrel-bellied, gravel-voiced Evil Angel salesman.

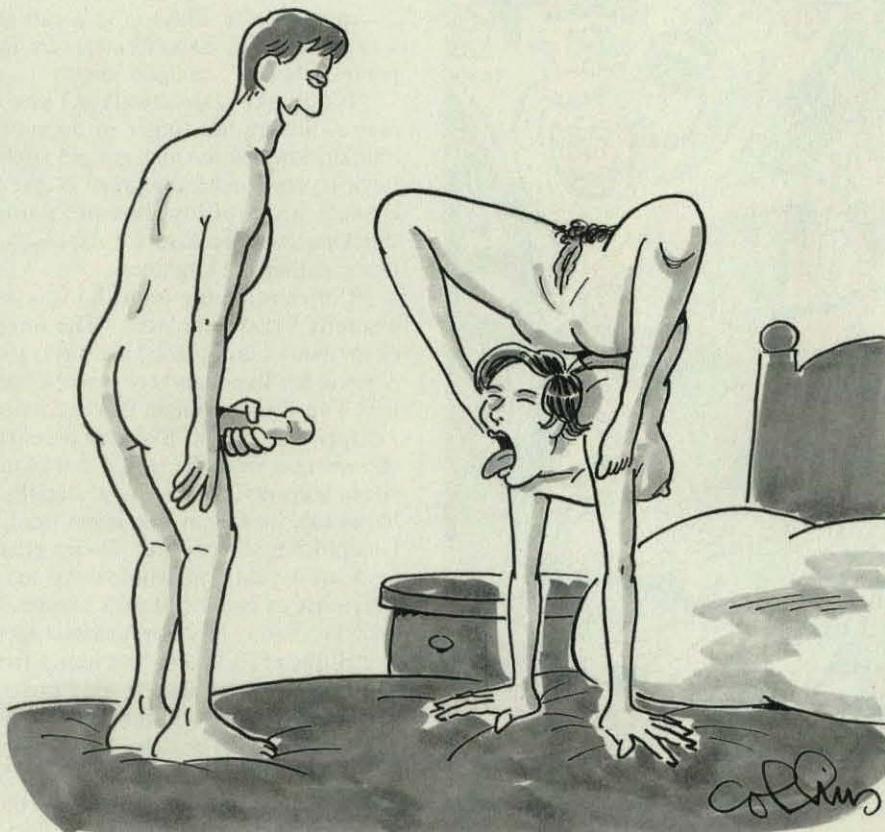

"You've just done your first video?" Stagliano asks, turning Elska sideways, appraising her legs and butt.

"Hell, John," Victor guffaws, slapping a ham fist onto Elska's rump, "you can shoot her in a video next week, but I want to know if this gal's free for a drink tonight!"

Gregory Dark hangs back, rubbing the goatee on his amiably satanic face as smoke curls from a lit cigarette between his fingers. Observing Elska, he says, "She looks fresh. Hasn't been hardened by the business yet." Dark tamps his cigarette out in a plastic cup. "A guy walking down the street sees a girl like Elska, and he wants to say, 'Hey! Bend over, bitch! I'm going to stick my dick in your ass!' The impulse is strong, but he knows it's wrong to do that. It makes him feel weird. I try to encapsulate that weirdness in my movies."

Dark approaches Elska and slides his arm up her back, drawing her ear close to

"What about the cops?" worries Kim.

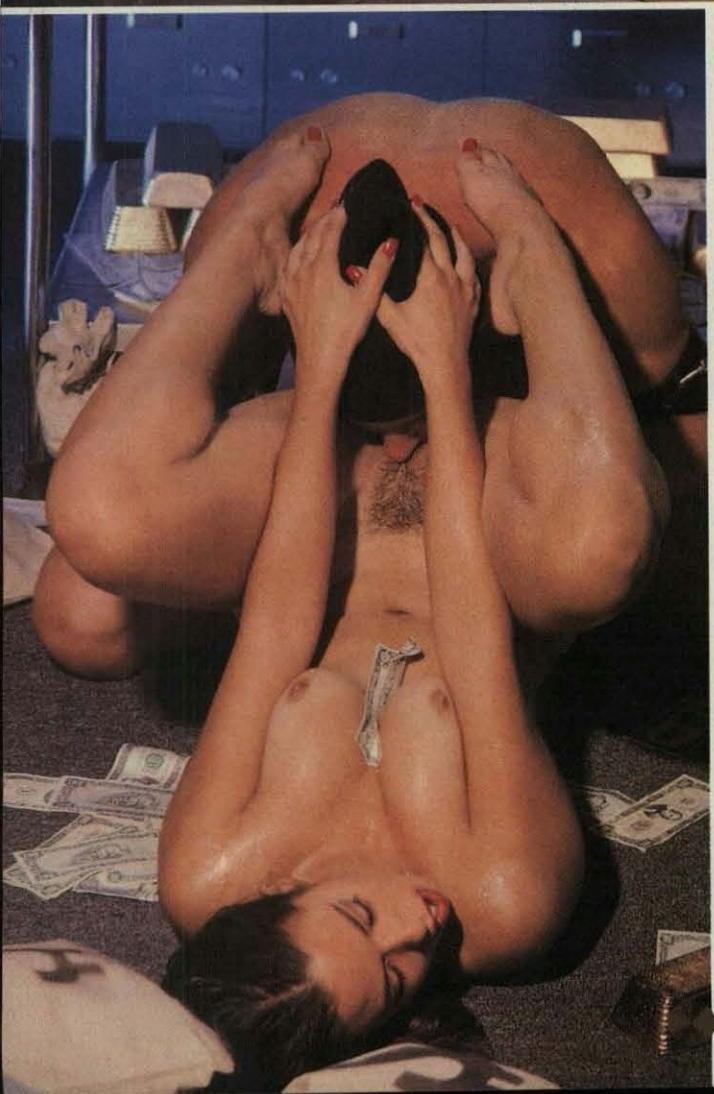

"Fuck the police," says Rick. "If they haven't caught us by now, we've got all night."

Kim eagerly yields to Rick's drill, offering up all the spoils in her treasury.

Rick spins Kim through a series of combinations, forgetting that in heists, like sex, timing is everything.

A flashing red light follows their climax, signifying the end of one hard time and the start of another.

Elska

Continuing to hold her, Dark says, "Show these guys your pussy." Elska nervously unbuttons her hotpants, revealing white-lace panties. "Go on, baby," Dark murmurs. "It's okay. Show them what a slut you are."

his lips. He whispers, "You're really cute, baby, and you're turning these guys on."

Elska giggles.

Continuing to hold her, Dark says, "Show these guys your pussy."

Elska nervously unbuttons her hotpants, revealing white-lace panties.

"Go on, baby," Dark murmurs. "It's okay. Show them what a slut you are."

Elska stares ahead at Stagliano and Victor, who look back expectantly. Her fingers comply with Dark's suggestion as if a spell has been cast on them. They wedge into the front panel of her panties and pull it aside, exposing a Mohawk stripe of pubic hair and a fleshy mound studded with a silver piercing through the labia.

"Go on, open it up, play with it," Dark urges her.

Elska sinks her fingers into the fold and spreads open the pink walls.

"If you're free next Tuesday," Dark tells her, "I can use you in my next video."

In the parking lot, Max Hardcore's Silverado crew truck fills with dense, medicinal smoke. Darren and G sit up front, keeping their eyes peeled for security.

Ashley and Elska sit in the back.

"Max is pretty cool," Ashley explains, "aside from these ridiculous safari outfits he makes us wear." Ashley passes the joint

to Elska. "Do you like doing XXX?"

"I don't know yet," Elska exhales. "But I like doing scary things. I was tripping on ecstasy when I first had lesbian sex with my girlfriend. Then her boyfriend came by, and we went bungee jumping off a bridge in San Diego. I'm really scared of heights."

"Are you into chicks?" Ashley asks, staring expectantly at Elska.

"Chicks are cool, but there's no substitute for dick." Elska passes the roach to G.

"You're awfully pretty," Ashley says quietly, as if intending it only for Elska.

"Ashley's into the whole bisexual thing," G croaks, holding down a lungful of smoke. "Maybe we should have an orgy in our room tonight?"

Ashley reddens.

"The thing is," Darren interrupts, fixing Elska with a stern look. "Ultimately, G and I are going to go off from Max and get into a whole new consciousness with adult. People are coming together. We want to do something with a consciousness of togetherness for the environment."

"Yeah," G nods, getting into the idea. "Like, we'll do a movie, *Fuck for the Environment*, you know?"

"What were you guys doing before you worked for Max?" Elska asks.

"I was into a lot of different things,"

(continued from page 96)

Darren allows, cryptically.

"I was delivering newspapers," G says, careful not to burn his fingers on cherried remnants of spliff.

* * *

Elska shares a room at the Sahara Hotel across town with Stephanie, a 24-year-old University of Michigan graduate who works as Xplor Media's publicist. The main focus of Stephanie's job is keeping an eye on Elska, who is sore from a long day walking on spike heels. "Tomorrow, I won't forget my sneakers," Elska says. "They're medicine for my feet."

Stephanie drops onto the cot she will be sleeping on; Elska leaps onto the queen-size bed. "You know the cool thing about a hotel bed, Stephanie? You can jump on it."

To demonstrate, Elska hops up and down on her bed like a trampoline. "You know what I'm going to hate about getting older, Stephanie?"

"What's that, Elska?" Stephanie mumbles, face down on her cot.

"My tits will sag," Elska answers, still hopping. "But I'll have a lot of money by then. I can afford surgery to lift them. Or maybe I won't care. I'd love to have a hotel up in the mountains, where I could serve people really good food, and they could have massages. People could come there to get away and feel good about life. That would be the bomb."

* * *

One of the odder exhibits at the Sands Expo Center belongs to a small company called PES, an acronym for Physio Electro Stimulators. Unable to afford a larger booth, PES's feature product—an ominous steel-frame chair with leg clamps and wrist straps—takes up nearly all of its display area. The PES chair's most unusual features are its two pneumatically propelled, metal-plated, current-conducting dildos. One chromed phallus, attached to a metal armature at the front of the seat, is designed to enter the occupant's vagina; the other, gleaming beneath the seat like a miniature rocket, is aimed at the occupant's anus. Electric cables snaking out from the base of each mechanical penetrator feed into a black control box with voltage regulators and a three-prong wall plug.

During the first two days of the convention, the operators of the PES booth have tried in vain to recruit a porn star to submit to a full, electrically charged demonstration of their product to be photographed for a layout in an adult magazine. On the third day, Elska passes by.

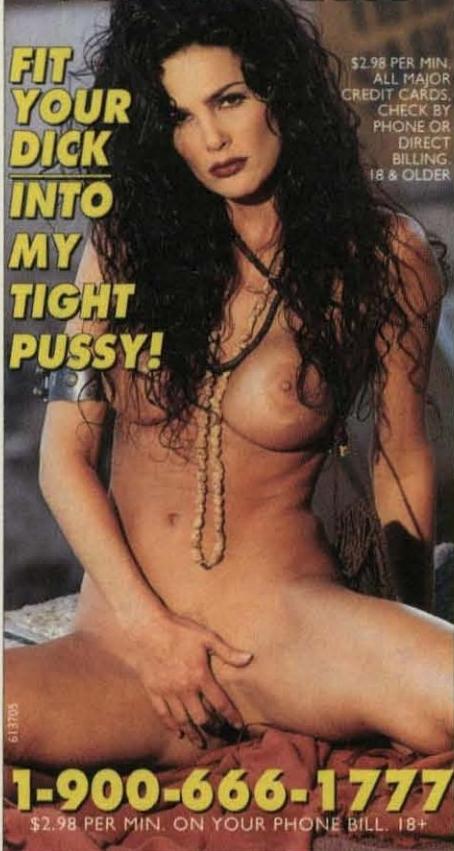

"Sure, I'll do it," Elska says enthusiastically. "You want me to get in it now?"

"Um, there are laws against making it fully operational in a public venue," stammers Dante Amore, inventor of the PES chair, looking uneasily at the crowd. "It would be preferable to conduct the demonstration tonight on the PES premises."

* * *

Located in a light-industrial zone ten minutes from the Vegas strip, the PES warehouse consists of a showroom and workshop.

Elska sits in the workshop amid lathes, drill presses and coils of electric wire. A stylist hired by the magazine shooting the layout applies her makeup.

Pacing behind Elska's head in the makeup chair, Dante Amore sips from a plastic cup filled with vodka. His eyes have the frantic look of a visionary always on the lookout for an ambush by skeptics.

"What we have found through decades of research in carefully applied, oscillating electro-stimulation is that we can prolong the human orgasm from a few moments to 20 minutes or more," Amore says. "Do you realize how profound an impact this will have on how humanity experiences pleasure across every continent on Earth?"

When Dante steps out of the room, Elska, who has been listening from the makeup chair, opens her eyes. "Dude, is he gonna plug that shit in? It's kind of scary."

Dante zooms back into the room, refueled on another cup of booze. "The stress associated with conducting my research is positively enormous. I frequently have three-day depressive periods, during which I am unable to get out of bed."

Elska emerges from the stylist's chair an hour later with a hard-edged, carnivorous look—less gaudy than her previous makeup jobs—that pleases her as she stares into the mirror.

Elska slips out of her robe and stands completely nude as the stylist sprays her body with silicone in order to help ease her into red-latex boots and a bustier.

In the showroom, Dave, a thin 50-year-old with a brown toupee and orthodontia that whistles when he speaks, scarcely contains his excitement as Elska enters.

"She's beautiful," Dave whispers. "The look of true orgasmic ecstasy that you'll see on that girl's exquisite face will be like nothing you've ever seen before."

"Okay," Elska smiles uneasily, looking down at the straps Dave tightens over her wrists and ankles. "I hope you don't kill me, because I want to go dancing tonight."

Dave runs across the carpet and turns up the volume on a hidden stereo system, drowning out Elska's voice with a Pink Floyd CD. An ethereal voice flows from

(continued from page 106)

the speakers, *The lunatic is in the grass....*

Clutching the control unit, Dave hits a button that propels a dildo toward Elska's outer labia. Abruptly, he halts the projectile just as it makes contact with her flesh.

"My goodness, dear, you have a piercing down there. That's an electrical conductor," Dave frets. "We'll have to remove it."

Dave momentarily unstraps Elska's wrists and allows her to snap out the metal stud from her vaginal lips. The dildo's penetration resumes, Elska's fleshy mound englutting the steel tube. She rocks her pelvis up, positioning her vaginal canal to accept the entire length of the probe.

"That's kind of cool. It doesn't hurt." Elska looks down at the metal arm holding the dildo in place—ten inches deep, pushing up against her cervix.

"You're gonna love it, sweetheart," Dave whistles. "I'll start the current." He hits the switch on the black box.

"Aayy!" Elska's body tenses as the restraints click, holding her wrists and ankles in place.

Dave twists a dial. "It'll feel real good. I'm just gonna switch it to AC." Dave plugs an extension cord into the black box.

Elska squirms. Her thighs clench, and she sucks in air.

This rooftop siren is Landon from Dayton, Ohio. A manicurist by trade, the 23-year-old spends her free time watching horror movies, dancing and sunbathing. Her fantasy is to strap on a dildo and fuck her fiance. We hope he's a fan of horror too.

Photo by Fiance

Those great legs are attached to 20-year-old Star, a dancer from San Bernardino, California. Her fantasy is to have sex with her fiance for days. Who wouldn't clear their calendar for a duet with Star?

Photo by Fiance

Stacy is a college student from Houston, Texas. The 21-year-old beauty likes to shop and snow ski. She wants to have sex with one or more girls and become a successful model. Looks like she's got all the necessary equipment.

Photo by Boyfriend

A self-described "slacker," Dominique is surely the pride of Dumas, Texas. A 21-year-old teacher, Dominique says she enjoys wrestling and reading comics. She dreams about having sex with a professional wrestler or surfer. It shouldn't be hard to find someone willing to ride Dominique's gentle swells.

Photo by Friend

This hothouse flower is Rose, a 40-year-old secretary from San Francisco, California. Her hobbies are writing and horseback riding. She dreams of making an adult video starring herself and five to seven handsome, well-hung men. Rose by any other name would still swell our meat.

Photo by Friend

Believe it or not, this 36-year-old stunner is a librarian. Katie hails from Sebastian, Florida, and enjoys reading, cooking, swimming and skydiving. She'd love to be the focal point of a circle-jerk and have six well-hung men cream all over her tits. Acting out that fantasy is long overdue.

Photo by Husband

This lovely creature is 21-year-old Eden from Dallas, Texas. Her hobbies range from sewing to fucking to cooking for her man. She has fantasies about meeting a beautiful woman in a club and taking her home to share with her husband. We fantasize about a picnic lunch in the garden of Eden.

Elizabeth is the hottest hair stylist in Lithia Springs, Georgia. When she's not busy partying, Elizabeth enjoys having sex, alone or coupled. Her fantasy is to find herself in a padded room with whips, handcuffs, Janine, Jenna Jameson, a strap-on and her husband. We're not too sure about getting the girls, but a padded room could certainly be arranged.

Photo by Husband

Proof of a higher power comes to us from Angel, a 21-year-old student from Chicago, Illinois. Her hobbies are horseback riding, snowmobiling and fishing. She has a detailed fantasy involving her lover, a beach and a vibrant sunset. If she rings our bells, does she get her wings?

Photo by Fiance

Stern yet sweet, 24-year-old Jade is an exotic dancer from Connorsville, Indiana. Dancing, swimming, reading and gambling are a few of Jade's hobbies. Her fantasy is to have a threesome on the beach.

Sounds like a sure bet for fun.

Photo by Fiance

This wonderfully limber entrant is Della Mae from Irving, Texas. An embroidery technician whose hobbies include sex, swinging, swapping and making amateur videos, 33-year-old Della Mae dreams of appearing with adult star Nikki Dial in a movie. We hope to see this rose of Texas blooming on the big screen soon.

Photo by Boyfriend

This supple-skinned beauty is Honey, a secretary from Houston, Texas. Twenty-eight-year-old Honey enjoys buying sexy clothes and exotic dancing. She fantasizes about trying double penetration, but stays busy with group sex in the meantime. Go ahead, Honey, double your pleasure, double your fun.

Photo by Girlfriend

Jen, a 23-year-old entrepreneur from Ontario, Canada, enjoys in-line skating, aerobics, volleyball and sex. Her fantasies involve everything sexual, anytime, anywhere. Just another enterprising young Beaver.

Photo by Boyfriend

Carrie, from Sommerset, Massachusetts, is a 26-year-old customer-service rep. She enjoys trips to the beach and giving massages. Her fantasy is to have a torrid lesbian encounter with one of her girlfriends while her boyfriend watches and jerks off. Some guys have all the luck.

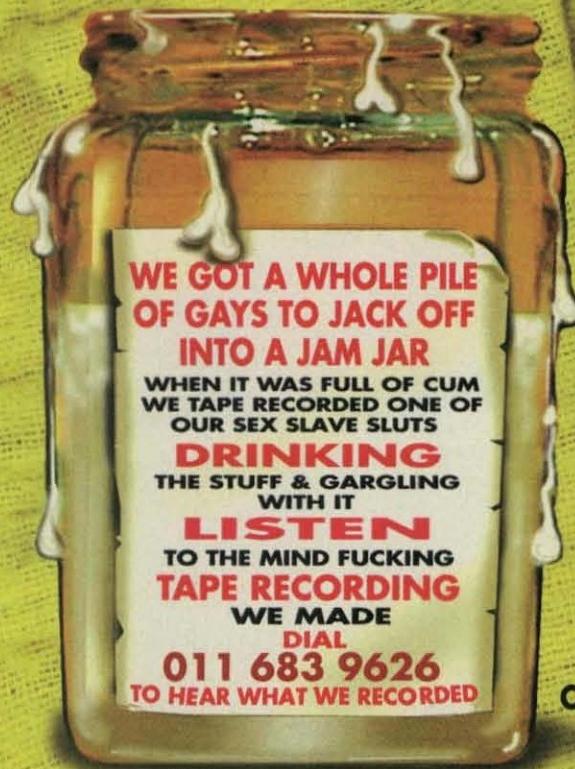

Photo by Friend

Tara Lynn is a 31-year-old secretary from Wichita, Kansas. She likes cooking, gardening, photography and playing the guitar. Her fantasy is to test-drive a black Mitsubishi 3000 GT at speeds upward of 100 mph. Once Tara's running smoothly, she plans to pull over and let the salesman test-drive her.

Elska

(continued from page 116)

"I'm adjusting it down, adjusting it down," Dave promises.

"It's tickling in my stomach," Elska informs him.

Dave fiddles with the controls for 20 minutes until his brow shines with perspiration, and trails of sweat roll down from Elska's armpits. Each attempt to increase the voltage results in Elska thrashing against her restraints.

"I don't think this is going to work out," Elska says, looking as miserable as a dental patient who has just undergone a root canal.

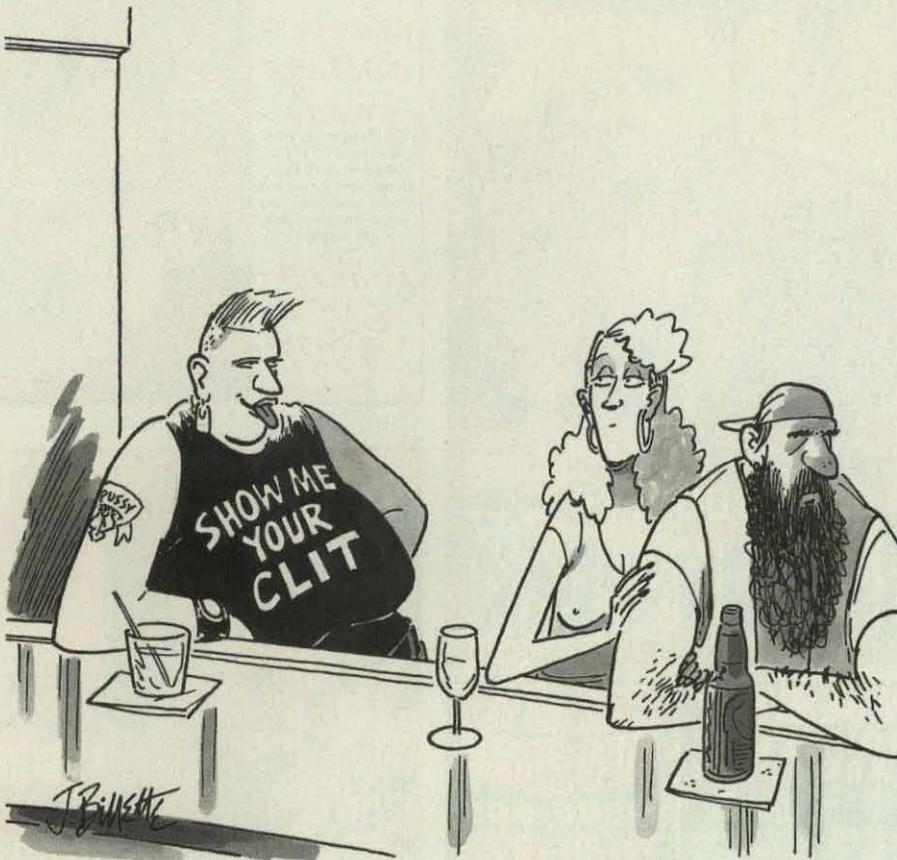

Crestfallen, Dave concedes defeat. He unplugs the dildo from Elska's taxed orifice and unties her from the chair.

Within a few minutes, Elska's spirits have climbed back to their usual buoyancy. "I don't want to disappoint those pervert guys," Elska tells Stephanie with a knowing smile, "but their idea sucks. Who wants to fuck without a nice, warm person to feel close to?"

* * *

Changed into jeans and a sweater, Elska joins Darren, G and Ashley in their hotel room for her last night in Las Vegas.

Between hits of smoke, Ashley and Elska dance to a boom box. G and Darren get into a heavy discussion about various international conspiracies.

DePew

(continued from page 80)

whenever anyone says anything to him.

DePew arrives and immediately requests a drink. Bobby had called during the day to make sure he showed up. R. J. turns the discussion to the snuff film, and finally the four men sit down together in the same room to discuss the plan. They talk about possible locations for the filming, although a location is never agreed on. They also never agree on whether to kidnap a child or not, or whether to buy or rent a car. None of the plans are ever finalized. But DePew's role, as before, is to provide technical expertise. A devotee of *True Detective*-type magazines, he always knows just the right tool for the job: what kind of clothes to wear when committing a crime; the merits of chloroform over ether; the superiority of plastic tie wraps over handcuffs. He's a bit of a criminal know-it-all: At one point, he cautions the agents to turn on the television so their conversation can't be overheard in the hall. (It was the lamp he should have been worried about: That's where the hidden camera was.)

DePew's zeal for technical prowess handed the prosecution what was probably the most damaging piece of evidence against him. When various schemes to subdue the (still imaginary) child were discussed, Dan volunteered to find out how to make chloroform. He'd used nitrous oxide in sex and had experimented with passing out as a sexual thrill. Following this meeting, he says he became obsessed with the idea of trying out chloroform with his lover. Oblivious to the FBI agents trailing behind him everywhere he went, he strolled to the library and looked it up. To prove conspiracy, there has to be at least one "overt act" in furtherance of the conspiracy. For the government, the trip to the library sealed the case.

A week after the four-way meeting, Bobby, now back in California, phones Ashley, who announces that he can't take off work as promised. And no, he hasn't had time to look into a vehicle.

Next, R. J. phones Dan DePew at work. Has Dan found out about a vehicle? Dan hasn't. R. J. tells Dan that Ashley's been scouting for one and reminds him that he and Bobby will be back in two weeks.

Another week passes. R. J. calls DePew again, who says abruptly, "I've decided not to be involved." R. J. stutters, "You what?" Dan says he hasn't heard from Ashley, doesn't trust Ashley, and everything's going too fast. Nervously, he says, "I'm still open-minded for one if we can develop a rapport, but this one I'm definitely passing on." R. J. launches into damage-control mode: What if it were just the three

Enlarge Your Penis The Real Way

All Original, All Natural, Nothing Else Like It!
Maximize Your Potential & Pleasure

"Yes, your penis can be enlarged, because two-thirds of your penis is made up of muscle tissue known as corpus cavernosum. This tissue is expansive due to the lacunar spaces. The vacuum pump method for penis enlargement uses a process medically referred to as hyperemia. When the air-tight vacuum pump cylinder is placed around your penis, blood rushes into the muscle portion of your penis. The muscle tissue expands to the maximum, breaks down and then rebuilds into larger and stronger muscles, similar to bodybuilding."

ENLARGE YOUR PENIS TO ITS MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

THE EXCELO IS THE ONLY PENIS DEVELOPER YOU WILL EVER NEED!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count; but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to

INCREASE PENIS SIZE AND THICKNESS! The device is call the EXCELO ELECTRIC VACUUM

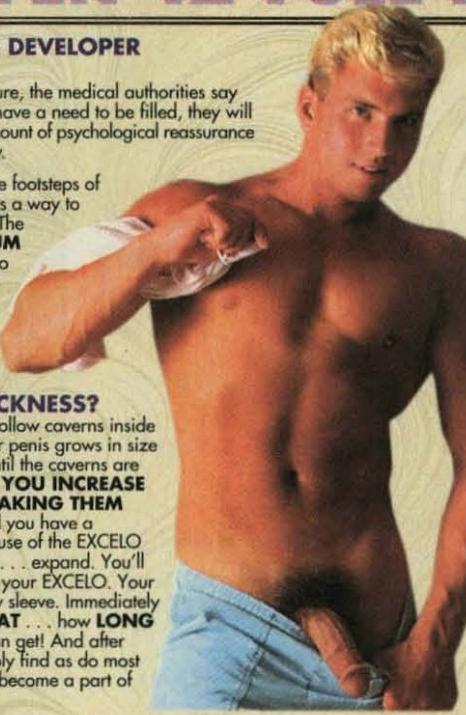

ENLARGER. A safe and proven natural way to add inches to penis length and thickness. With the EXCELO, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE EXCELO ELECTRIC VACUUM ENLARGER

INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. **BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD** and you have a correspondingly longer, thicker penis. Regular use of the EXCELO gently urges the caverns to expand . . . expand . . . expand. You'll see the astonishing results the first time you use your EXCELO. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really **BIG** . . . how really **FAT** . . . how **LONG**

. . . how **HARD** and **STIFF** your own penis can get! And after regular sessions with the EXCELO you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

The only complete penis enlargement system that includes step-by-step instructional video and magazine used successfully for 25 years with more than 10 million satisfied customers.

Super-Stud John West
Starring in the full-length
feature video,
"The Pleasure Principal." *

The following photos dramatically demonstrate how using our deluxe pump can give you a larger, thicker, and much longer penis.

* The soft, small penis is only about 3 inches.

* The penis is now about 5 inches, about 40% of his maximum potential.

* The penis is about 9 inches or about 80% of his maximum potential.

* The penis is removed from the pump and is now a full 12 inches.

Here is why our complete penis enlargement system works where others fail.

A complete penis enlargement system should include an instructional video and magazine. The easy to follow step-by-step instructions shows you how to use the penis vacuum pump. You will see how other men succeed so you can be successful with your penis pump.

Our deluxe super vacuum pump creates more vacuum than any penis pump available anywhere at any price. It is the vacuum that is created in the clear cylinder that expands and enlarges your penis thicker, harder and longer than you ever dreamed possible.

There are 3 other pumps available from mail order dealers that do not create the vacuum you need to be successful.

1. The squeeze bulb pump - a small inexpensive foreign import that uses a little bulb you squeeze but does not create enough vacuum to enlarge the penis.

2. Pump and prolong ring combination - This type of pump does not create enough vacuum to enlarge the penis. A hard plastic ring is squeezed on the penis to try to maintain a semi-erect penis. The ring can actually restrict blood flow to the penis.

3. The electric pump-various models sell for about \$35 to \$100. This is a converted fish tank aquarium pump that has been changed to suck air instead of blowing bubbles. A small motor that gives you vibrations and massaging but does not create enough vacuum to enlarge the penis. To be successful you need our "made in the U.S.A." deluxe super pump with the extra long 10 inch remote plunger piston assembly.

Men report enlargement up to 9, 10, and even 12 inches is possible. Watch your penis grow thicker, fatter, stiffer and longer when you use the world's largest selling penis enlargement system sold directly to you from the manufacturer.

of them? Maybe? Bobby gets on the line and reminds Dan that there are "other people involved,"—in other words, his mobster boss. But they can move the date back if Dan wants. R. J. implores Dan to meet with them again in D.C. Dan says he doesn't want them to fly out for nothing. He repeats that he doesn't want to be involved this time, but leaves the future open. R. J. translates, "Well, the current schedule is what you have a problem with." Dan agrees, but insists that he won't be involved with Ashley. R. J. assures him they all just need to sit down and work out their problems—and that Ashley needs to be in for Bobby's sake. He asks for a favor. Would Dan call Bobby if he hears from Dave? Dan agrees.

DePew may have been attempting to get himself out, but that doesn't mean he wasn't still party to a conspiracy. Or so the judge would later rule. Legally, it's not that easy. The only way to withdraw from a conspiracy, the jury was instructed, is to do something to defeat its purpose. The law demands heroism, and DePew hadn't shown that.

Six days later, R. J. calls Dan yet again. No, Dan still hasn't heard from Ashley. The agents hadn't heard from him either. Ashley had dropped from sight—they'd been unable to reach him for at least nine days. Was Ashley trying to withdraw also?

R. J. says, "We just wanted to let you know we're dead serious. Pun intended."

Five days later, the FBI arrested Daniel DePew at work. Dean Ashley Lambe was taken into custody the same day.

* * *

The prosecution did not have an uphill battle to win this case. They introduced DePew's sex accoutrements as evidence: nooses, manacles, leather masks, paddles with metal studs, videotapes and stills of S&M sex between DePew and various lovers. Their point, apparently, was that anyone weird enough to do the things DePew did in bed was weird enough to do anything: What's the difference between being burned with a cigarette, or strangled, or beaten, and killing a child? "S&M in this trial doesn't mean sadomasochism," argued U.S. Attorney Mike Smythers. "It really means Satan and Murder!" Daniel DePew, he sputtered, "would have made a good first assistant for Josef Mengele or Adolf Eichmann."

DePew had managed to raise \$25,000 for a shoestring defense. With no money to spend on investigators or experts, attorney James Lowe banked everything on making one strong argument: DePew knew where the line between fantasy and reality was, Lowe told the jury, and was

in it for the fantasy. It was the agents who couldn't tell the difference between fantasy and conspiracy. DePew was a sadomasochist, yes, but *not* a pedophile. DePew had never inflicted any actual harm on anyone, and all his sex partners were alive and kicking. The violent details were just "hot talk," designed to get Bobby and R. J. into bed. Yes, fantasy involves a certain amount of reality, and yes, DePew was into bizarre stuff, and yes, he knows he represents the most unpopular defendant of the year. But the jury can't decide against DePew because they're horrified by his sex life, can they?

Rebutting the argument that DePew was merely fantasizing, Smythers demanded, "Who wants to put their child up first? Which child do we turn over to him to test this and see if he's actually going to carry this through?"

The jury took four short hours to decide, beyond a shadow of a doubt, that sexual fantasy is synonymous with intent. At the sentencing hearing, Judge T. S. Ellis told DePew that his was "the most heinous crime I have presided over," then handed down a 33-year sentence.

* * *

This is a true crime story about a crime that never happened. Daniel DePew sat around a hotel room trading detailed

(continued from page 138)

kinky fantasies with two undercover cops who'd invited him there in the first place and who spurred him on by sharing their own equally kinky fantasies, while a team of FBI agents eavesdropped from the next room. The cops and FBI agents are still roaming the streets; DePew will be in prison most of his life. At the medium-security facility where I met him, the average sentence is 12 years. DePew will watch men who have *actually* committed murder, rape and child molestation getting out decades earlier than he will.

The United States v. DePew was the first nationwide computer-bulletin-board prosecution case. As we're lately seeing with the Internet, it won't be the last: Any small-town cop with a modem can now patrol the online fantasies of the nation and devise elaborate entrappments to transform them into conspiracies.

Daniel DePew may be guilty of having a sexual style that's not to everyone's taste and sexual fantasies that are grisly and abhorrent—although not much more so than your average slasher film. He's certainly guilty of letting his fantasies overcome better judgment. But when the government starts jailing citizens for having fantasies, how many hundreds of new prisons will it take to hold America's new criminal class? ☀

PHOTOGRAPHY BY JOANIE ALLUM

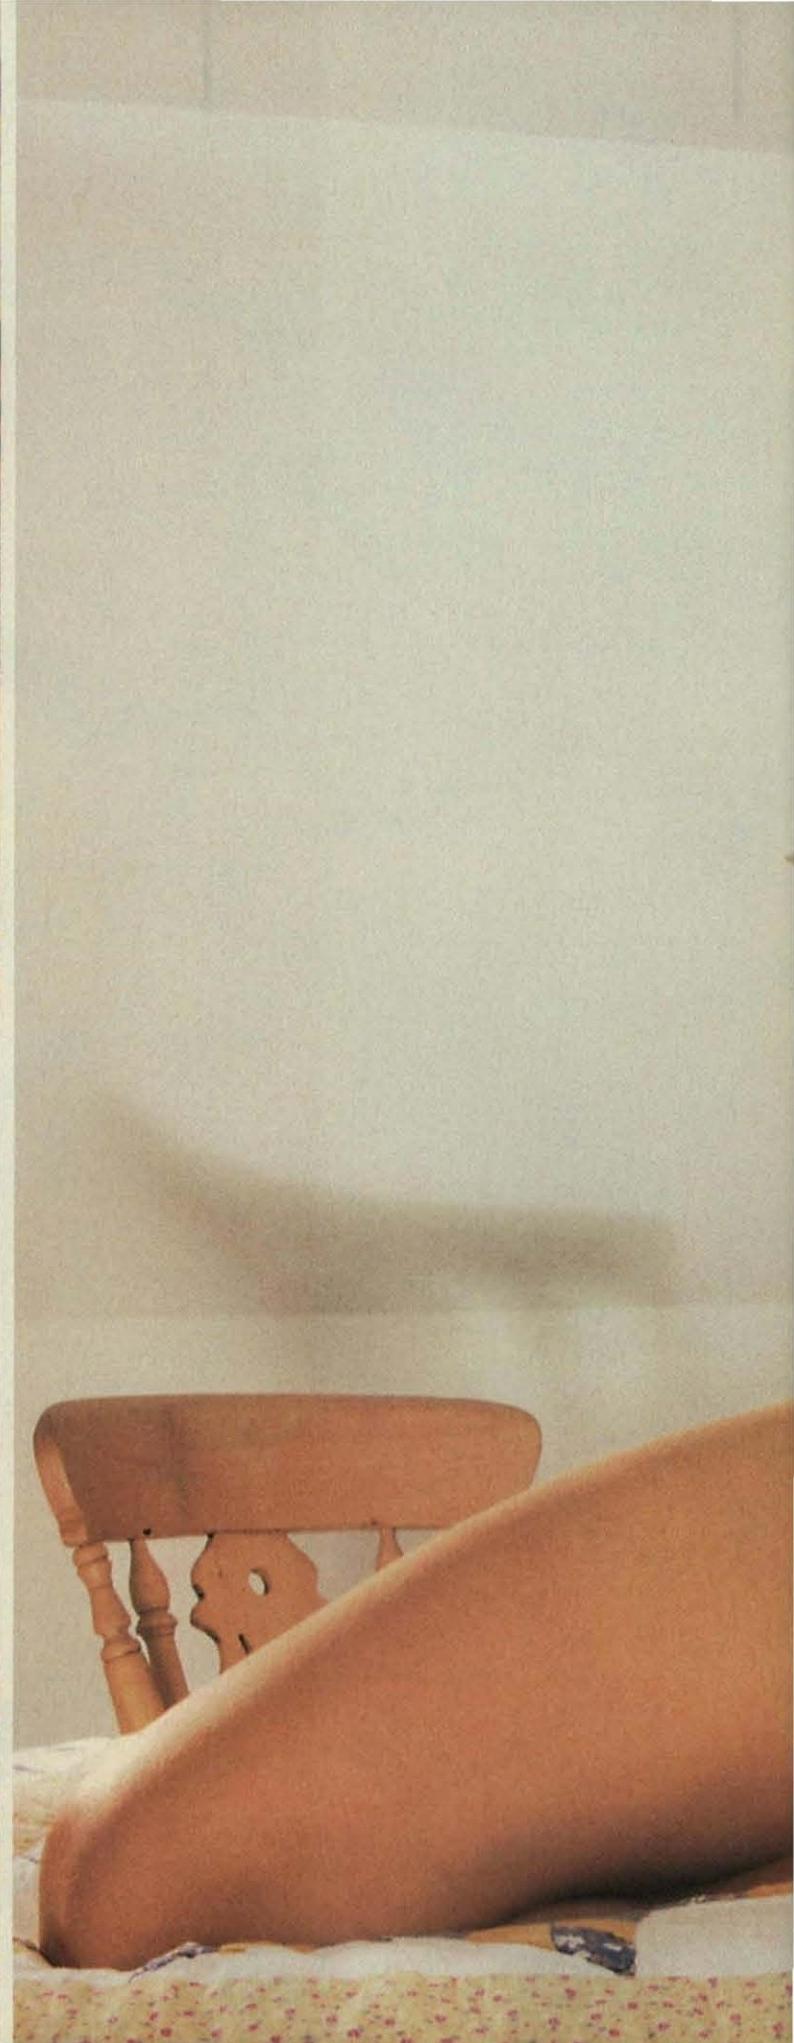

Mindy's been having a run of bad luck. As this blushing beauty reveals, "My last few lovers haven't been exactly fulfilling, if you know what I mean."

Mindy keeps searching for Mr. Bigbar in nightclubs, bowling alleys and 24-hour laundromats. She tries screening guys by hand and foot size, but that hasn't panned out.

Do you measure up to Mindy's standards?

PORNO INFERNO

August's HUSTLER draws fire with an arsenal of sex bombs triggered to explode on contact. An overheated vixen shows us why she prefers crotchless stockings in the summer; an olive-skinned beauty lets her sweet breast fruit ripen in the sun; a slutty stewardess and her high-flying girlfriend fire up their engines and melt the tarmac; a cutie-pie serves a slice of cherry on the dining-room table; a dirty-mouthed blonde gets off on phone sex; and a dirt biker kicks up a mess when he rides a road slut hard and spills oil all over her face. In August, HUSTLER's all-star cream team plays hard balls: Choke up on your bat; our Honeys are pitching with heat.

SELLING OUT LIKE HOTCAKES

Wherever you stand on the issues of guilt and race, one verdict in the O. J. trial is unanimous: When it comes to tallying up the take, it's been a win/win deal for all players involved. From book contracts to TV ratings to T-shirt sales, even the losers have walked away rich. In *O. J., Inc.: How to Win Fame and Residual Income From One Decapitation and an Incidental Evisceration*, Articles Editor Dylan Ford offers a comprehensive analysis of this fast-growing industry. Maybe you'll get lucky, and a celebrity will chop up someone you know.

HELL HATH NO FURY LIKE A STRIPPER BURNED

At the Mitchell Brothers' O'Farrell Theater in San Francisco, beautiful strippers put on the nastiest sex show on Earth. Almost anything, from double-headed dildos to fist-fucking, can be had for a price. Now a group of former dancers is suing for millions, and more than 100 of the club's current strippers have banded together to fight back. In *Trouble in Paradise: The San Francisco Stripper Wars*, Associate Editor David Gordon tours the Tenderloin and reports on the showdown at the O'Farrell corral.

HOLD YOUR FIRE

When it comes to coming, gentlemen know it's ladies first. But what if you didn't have to come at all? In "A Spiritual Guide to Holding Loads: Ejaculation Control by Ishtara," Sex Play correspondent Ruth Mallet explores the ancient jizz wisdom of the East. Bits & Pieces finds out if there's def after death with a look at deceased rappers' new discs; Buttman gets into bad shit in *Erotic Entertainment*; and Beaver Hunt cools off by slipping into America's skinny-dipping holes. August is fire season in HUSTLER. When our Honeys hit the flash point, get ready to man your hose.
